Category
Summary

Sen. Rose, Paul; Rep. Freeman, Bob
Property & Housing

Enacts the "Commercial Property Assessed Clean Energy and Resilience Act." Allows a local government to establish a C-PACER program and designate a region within its boundaries as an area in which C-PACER activities are eligible. Defines "C-PACER program" to mean a commercial property assessed clean energy program. Specifies requirements for local government to establish such program and authorizes the local government to impose fees to offset the actual and reasonable costs of administering a program. Specifies that the fees may be assessed as part of the program application to be paid by the property owner requesting to participate in the program. Specifies other requirements for the administration of the C-PACER program (16 pp).

Amendment
Summary

Senate amendment 1 (003970) deletes and rewrites all language after the enacting clause such that the substantive changes: (1) remove a local government's authority to hire and compensate a program administrator and staff or delegate or contract for professional or administrative services as necessary for program administration; and (2) remove the ability of applicable property owners to contract directly for the related equipment and materials used in the installation or modification of qualified improvements.
