TN REALTORS Bill Report

2024 Legislative Session

CAPTION

SB1137/HB1229 **Notifications to THDA related to metro government that creates escrow account to provide funding for low income housing.**

Sponsors: Sen. Oliver, Charlane , Rep. Hemmer, Caleb

Summary: Requires a county having a metropolitan form of government that creates a special escrow account earmarked for the sole purpose of generating revenue to provide low income persons with safe and affordable housing to notify the Tennessee housing development agency and the chairs of the local government committee of the house of representatives and the state and local government committee of the senate. Broadly captioned.

Amendment Summary: Senate amendment 1 (015287) allows for a municipality to aid or otherwise provide assistance to a corporation, including without limitation, by granting, contributing, or pledging to or for the benefit of the corporation revenues from any source except revenues from ad valorem property taxes, for a portion of any project owned by the corporation and consists of any multifamily housing facility to be occupied by persons of low or moderate income, elderly, or handicapped persons for such term or terms and upon such conditions as may be determined by the governing body of the municipality. House amendment 1 (017688) rewrites the bill and creates a new section regarding operations and powers of industrial development corporations. Grants municipalities the right to aid or provide assistance to corporations by pledging revenues to corporations except revenues derived from property taxes or portion of taxes for a project owned by the corporation. Sets requirements for associations to create a plan for assistance to submit to the comptroller. A plan is deemed approved if the written determination of the comptroller is not rendered within 60 days of the comptroller's receipt. This act takes effect upon becoming a law.

SB1824/HB2074 **Extension of time for filing or payment.**

Sponsors: Sen. Watson, Bo , Rep. Hicks, Gary

Summary: Allows a request for an extension of time to file a business tax return and pay the tax to be signed by the taxpayer or the taxpayer's representative. Broadly captioned.

Amendment Summary: House amendment 1 (018247) rewrites the bill to make the additions described below to the present law relevant to exemptions from sales and use tax for natural disaster claimants. Present law requires a claimant to be entitled to a refund equal to the total amount of Tennessee state and local sales and use tax paid by the claimant to one or more retailers as a result of the claimant's purchases of major appliances, residential furniture, or residential building supplies from such retailers. However, the total amount refunded in connection with any one residence must not exceed \$2,500. To receive a refund, a claimant may file only one natural disaster claim for refund with the department of revenue ("department"), and must file such claim for refund within one year from the date shown on the FEMA decision letter received by the claimant. The claimant must also certify on the natural disaster claim for refund form that purchases for which the refund is claimed were to replace, repair or restore property damaged in a federally declared natural disaster occurring in Tennessee. Auch refund must be made by the department directly to the claimant and must not be made by the retailer to the claimant. All natural disaster claims for refund shall include satisfactory proof of receipt of federal disaster assistance. Present law requires each claimant to keep and preserve suitable records of the purchases for which a refund is claimed. Such records must be kept and preserved for a period of three years from December 31 of the year in which the natural disaster claim for refund was filed. Such records must be open to the inspection of the commissioner, or the duly authorized delegates of the commissioner, at all reasonable hours. The commissioner of revenue has the authority to conduct audits or require the filing of additional information necessary to substantiate the amount of any refund due to the claimant. Present law authorizes the department to assess a civil penalty not to exceed \$25,000 against any person that knowingly files a false or fraudulent application for refund. Any claimant that is assessed a penalty must be entitled to the remedies provided in existing law. All refunds must be paid from the state's general fund. This amendment provides that the above present law applies to all refund claims in connection with a primary residence under this amendment; except, that: (1) A claimant is not required to include proof of receipt of federal disaster assistance; (2) The claimant must file the claim for a refund by November 1, 2024; and (3) The natural disaster certified by the claimant is not required to be a federally declared natural disaster. This amendment requires the claimant to certify that the primary residence was damaged or destroyed by a tornado that occurred during the period of April 1, 2024, to April 3, 2024, in Morgan County, or in a municipality located within such county. As used in this amendment, a "claimant" means a natural person whose primary residence was damaged or destroyed as a result of a natural disaster that occurred during the period of April 1, 2024, to April 3, 2024, in Morgan County, or in a municipality located within such county.

SB2182/HB2797 **Notice requirement for public meeting by an industrial development corporation.**

Sponsors: Sen. Lundberg, Jon , Rep. Hulsey, Bud

Summary: Specifies that the required notice of a public meeting by an industrial development corporation related to the approval of a payment in lieu of taxes for a lessee of the corporation must be published on the website of the corporation. Broadly captioned.

Amendment Summary: Senate amendment 1 (015080) rewrites the bill to, instead, provide that an industrial development corporation created by a housing opportunity county or by a municipality within the boundaries of the housing opportunity county or jointly by any combination of such entities has the following powers: (1) To construct and install public infrastructure for qualified residential developments or contract with a private party for the construction and installation of such public infrastructure; (2) To accept loans and grants of money from this state or the U.S. or any agency or instrumentality of this state or the U.S., upon such terms and conditions as this state, the U.S., or the agency or instrumentality may impose, for purposes of carrying out the design, construction, installation, financing, or undertaking of public infrastructure; and (3) To make loans and grants of money to private entities constructing and installing public infrastructure for qualified residential developments within the boundaries of the housing opportunity county upon such terms as the industrial development corporation deems advisable. As used in this amendment, a "housing opportunity county" means a county that is certified by the comptroller of the treasury and the commissioner of economic and community development as a county with acute needs for additional housing to support the expected growth in population due to the undertaking of one or more economic development projects, whether or not located in the county, that are expected to result in the employment of more than 1,000 new employees. Additionally, as used in this amendment, a "qualified residential development" means an area to be developed for residential housing, which may be single-family housing or multi-family housing so long as that at least 80 percent of the developable area in the development is expected to be used for residential housing, as determined by the industrial development corporation. If this state or an agency or instrumentality of this state makes a loan or grant to an industrial development corporation in a housing opportunity county for the purposes described in this amendment, then this amendment requires such loan or grant to be made upon such terms as are embodied in a written agreement between this state or an agency or instrumentality of this state and that are approved by the comptroller of the treasury, the commissioner of economic and community development, and the commissioner of finance and administration. Such agreement may include such terms as are deemed advisable to this state to ensure that the housing to be constructed in the qualified residential development is affordable for persons residing in the housing opportunity county. Senate amendment 2 (017340) makes the following changes: (1) Establishes that a "housing opportunity county" means a county with acute needs for additional housing to support the expected growth in population due to the undertaking of one or more economic development projects, whether located in the county or surrounding area, that are certified by the commissioner of economic and community development as expected to result in the employment of more than 1,000 new employees; and (2) If this state or an agency or instrumentality of this state makes a loan or grant to an industrial development corporation in a housing opportunity county for the purposes described in the bill, requires such loan or grant to be made upon such terms as are embodied in a written agreement between this state or an agency or instrumentality of this state and the industrial development corporation and that are approved by the comptroller of the treasury and the commissioner of finance and administration.

SB2261/HB2426 County Powers Relief Act - form acknowledging privilege taxes owed.

Sponsors: Sen. Reeves, Shane , Rep. Hicks, Tim
Summary: Reduces from 30 to 21 days, the period by which a local government building official must, after a building permit is issued, mail to the county tax collection official the form upon which the permit applicant acknowledges the privilege taxes owed under the County Powers Relief Act.

Amendment Summary: House amendment 1 (014531) rewrites the bill to, instead, make the changes described below to the County Powers Relief Act. Present law provides that engaging in the act of residential development within a county, except as excluded by the County Powers Relief Act, is declared to be a privilege upon which a county, by resolution or ordinance of its governing body, may levy a tax, subject to the conditions and limitations contained in that Act. The resolution or ordinance must be adopted by a two-thirds vote of the entire membership of the county legislative body at two consecutive, regularly scheduled meetings. This amendment revises the present law by providing that above privilege tax applies to act of development within a county, instead of limiting the tax to residential development. The amendment also adds to the present law by requiring the resolution or ordinance adopted at the first meeting to be identical to the resolution or ordinance voted upon at the second meeting. Present law prohibits a governing body from levying a tax pursuant to the County Powers Relief Act, unless the county meets one or more of the following criteria: (i) the county experienced a growth rate of 20 percent or more in total population from the 1990 federal census to the 2000 federal census, or the county experiences growth of 20 percent or more between any subsequent federal decennial censuses; or (ii) the county experienced a 9 percent or more increase in population over the period from the year 2000 to 2004, or over a subsequent four-year period, according to United States census bureau population estimates. This amendment deletes these provisions and, instead, does the following: (1) Prohibits a governing body from levying a tax pursuant to the County Powers Relief Act, unless the county experienced (i) a 20 percent or more increase in population from the 2010 federal census to the 2020 federal census, or the county experiences growth of 20 percent or more between any subsequent federal decennial censuses; or (ii) a 9 percent or more increase in population over the immediately preceding consecutive four-year period, according to a special census conducted pursuant to (3) below; (2) Prior to adopting a resolution or ordinance to levy this tax, requires the governing body to file a statement with the comptroller of the treasury that provides the population growth for the county that qualifies the county to levy the tax. The comptroller must verify the accuracy of the statement provided and notify the county whether it meets the requirements of the County Powers Relief Act; (3) Authorizes a county to, at the county's expense, conduct a special census for purposes of qualifying to levy the tax under the County Powers Relief Act; (4) To continue to levy this tax, requires a county to verify qualification with the comptroller every four years, using federal census data estimates, if basing qualification on a 9 percent growth rate under (1)(ii) above, or at the end of the final year of every ten-year census period, if basing qualification on federal census data under(1)(i) above. Present law authorizes, for the exercise of the privilege of development, a county to levy a tax based on the floor area of residential development. A county initially levying a tax may levy the tax at a rate not to exceed \$1 per square foot on residential property. This amendment revises the present law and, instead, authorizes a county to levy a tax based on the floor area of new development. A county initially levying a tax may levy the tax at a rate not to exceed \$1.50 per square foot on residential and commercial property. Present law requires any tax levied pursuant to the County Powers Relief Act must be collected in the following manner: (1) At the time of application for a building permit for residential development, the municipal or county official issuing the permit must compute the estimated tax liability for the county school facilities privilege tax, based upon the proposed square footage of the facility to be built and the current rate of the county's school facilities privilege tax. As a condition of receiving the permit, the applicant must sign a form indicating that the applicant recognizes the liability for the tax. The official must keep one copy of the form for the official's records and must provide a copy to the applicant. If the permit is issued by a municipal building official, the official must also forward a copy of the form within 30 days of the issuance of the building permit to the county official or employee who has been designated by the county legislative body to collect the tax. As an alternative, the county and any municipality within the county may provide by interlocal agreement for the municipal building official to be designated as a collector of the tax and provide for a commission to be paid to the municipality for such services; (2) The tax must not be due until the earlier of one year from the date of issuance of the building permit or 30 days after the first transfer of title to the property being developed after the building permit is issued. If, after one year from issuance of the building permit, the building or structure is not complete or title has not been transferred, the permit holder may, in lieu of paying the tax, request an extension for one year. The permit holder may request a maximum of two extensions. Extensions must not be denied, if the permit holder makes a showing to the official responsible for collecting the tax that the building or structure is not complete; (3) Notwithstanding (2) above, a governing body may pass a resolution or ordinance requiring 50 percent of the tax to be paid at the time of application for a building permit and the remaining 50 percent of the tax to be paid prior to the issuance of a certificate of occupancy; (4) Once it becomes due, the tax must be paid to the official or officials designated by the county governing body to collect the tax. At the time of payment, the official must review the tax liability to determine whether the square footage of the completed building or structure corresponds to the initial estimated square footage in the building permit. The tax must be computed using the actual square footage of the completed building or structure, but the rate of the tax must be based upon the rate applicable at the time the permit was issued; (5) The revenue from the tax must be paid over to the county trustee within 30 days for deposit. This amendment revises the present law by providing that the building permit referenced in (1) above is for all development, not sure residential development. This amendment also revises the present law by deleting (2) and (3) above. If the tax is not paid by a permit holder within 90 days of the due date, present law requires the official responsible for collection of the tax to report this delinquency to the county's delinquent tax attorney. The delinquent tax attorney must bring an action against the permit holder for the full amount of the tax, plus statutory interest and a penalty of 50 percent of the amount of tax owed. The compensation of the delinquent tax attorney for such services must be determined by agreement between the county trustee and the delinquent tax attorney. A permit holder who owes delinquent school facilities taxes is not eligible to receive a building permit for any other project in the county until such time as the delinquency, plus any penalties and interest, are paid in full. This amendment deletes these provisions and, instead, requires the tax to be paid upon completion of the building or structure, but prior to the issuance of the certificate of occupancy. If a county that has exercised its right to levy a tax under the County Powers Relief Act after the effective date of this amendment and in a new qualifying period does not satisfy the criteria for levying the tax, then (i) the county may resume exercising the authority to levy and collect such development taxes under a private act in existence before the effective date of this amendment at the rate in effect at the time the county exercised its right to levy a tax; or (ii) the county may resume exercising the authority to levy and collect a privilege tax under County Powers Relief Act at the rate the privilege tax was levied by the county under that Act on January 1, 2024. A county levying the privilege tax pursuant to this provision must not increase the rate of the tax, unless the county is eligible under this amendment. House amendment 2 (017742) makes the following changes: (1) Revises the provision in the bill authorizing a county to levy the tax at a rate not to exceed \$1.50 per square foot on commercial property by, instead, authorizing a county to levy the tax at a rate not to exceed \$1.50 per square foot on up to 150,000 square feet of commercial property; and (2) Revises the provision in the bill providing that if a county that has exercised its right to levy a tax under the County Powers Relief Act after the effective date of this amendment and in a new qualifying period does not satisfy the criteria for levying the tax, then (i) the county may resume exercising the authority to levy and collect such development taxes under a private act in existence before the effective date of this amendment at the rate in effect at the time the county exercised its right to levy a tax; or (ii) the county may resume exercising the authority to levy and collect a privilege tax under County Powers Relief Act at the rate the privilege tax was levied by the county under that Act on January 1, 2024. A county levying the privilege tax pursuant to this provision must not increase the rate of the tax, unless the county is eligible under this amendment by, instead, providing that if, after the effective date of the bill, a county that has exercised its right to levy a tax under the County Powers Relief Act prior to the effective date of the bill and in a new qualifying period does not satisfy the criteria for levying the tax, then (i) or (ii) above is authorized.

SB2732/HB2781 Notification regarding change of address to state board of cosmetology and barber examiners.

Sponsors: Sen. Akbari, Raumesh , Rep. Parkinson, Antonio

Summary: Requires a holder of a certificate of registration to notify the state board of cosmetology and barber examiners within 35 days, instead of 30 days, of a change to the certificate holder's mailing address. Broadly captioned.

Amendment Summary: Senate amendment 1 (014816) rewrites the bill to enact the "Cosmetology Licensure Compact" ("compact"). To be eligible to join this compact, and to maintain eligibility as a member state, this amendment requires a state to: (1) License and regulate cosmetology; (2) Have a mechanism or entity in place to receive and investigate complaints about licensees practicing in that state; (3) Require that licensees within that state pass a cosmetology competency examination prior to being licensed to provide cosmetology services to the public in that state; (4) Require that licensees satisfy educational or training requirements in cosmetology prior to being licensed to provide cosmetology services to the public in that state; (5) Implement procedures for considering one or more of the following categories of information from applicants for licensure: criminal history, disciplinary history, or background check. Such procedures may include the submission of information by applicants for the purpose of obtaining an applicant's background; (6) Participate in the data system, including through the use of unique identifying numbers; (7) Share information related to adverse actions with the cosmetology licensure compact commission ("commission") and other member states, both through the data system and otherwise; (8) Notify the commission and other member states, in compliance with the terms of this compact and rules of the commission, of the existence of investigative information or current significant investigative information in the state's possession regarding a licensee practicing in that state; (9) Comply with such rules as may be enacted by the commission to administer this compact; and (10) Accept licensees from other member states as established in this compact. This amendment authorizes member states to charge a fee for granting a license to practice cosmetology. This amendment requires individuals not residing in a member state to continue to be able to apply for a member state's single-state license as provided under the laws of each member state. However, the single-state license granted to these individuals must not be recognized as granting a multistate license to provide services in any other member state. Nothing in this compact affects the requirements established by a member state for the issuance of a single-state license. This amendment requires a multistate license issued to a licensee by a home state to a resident of that state to be recognized by each member state as authorizing a licensee to practice cosmetology in each member state. This amendment prohibits the commission from having the power to define the educational or professional requirements for a license to practice cosmetology. The member states must retain sole jurisdiction over the provision of these requirements. To be eligible to apply to their home state's state licensing authority for an initial multistate license under this compact, the amendment requires a licensee to hold an active and unencumbered single-state license to practice cosmetology in their home state. Upon the receipt of an application for a multistate license, according to the rules of the commission, a member state's state licensing authority must ascertain whether the applicant meets the requirements for a multistate license under this compact. If an applicant meets the requirements for a multistate license under this compact and any applicable rules of the commission, then the state licensing authority in receipt of the application must, within a reasonable time, grant a multistate license to that

applicant, and inform all member states of the grant of said multistate license. This amendment requires a multistate license to practice cosmetology issued by a member state's state licensing authority to be recognized by each member state as authorizing the practice thereof as though that licensee held a single-state license to do so in each member state, subject to the restrictions in this compact. A multistate license granted pursuant to this compact may be effective for a definite period of time, concurrent with the licensure renewal period in the home state. To maintain a multistate license under this compact, this amendment requires a licensee to (i) agree to abide by the rules of the state licensing authority, and the state scope of practice laws governing the practice of cosmetology, of any member state in which the licensee provides services; (ii) pay all required fees related to the application and process, and any other fees that the commission may by rule require; and (iii) comply with any and all other requirements regarding multistate licenses that the commission may by rule provide. This amendment provides that a licensee practicing in a member state is subject to all scope of practice laws governing cosmetology services in that state. The practice of cosmetology under a multistate license granted pursuant to this compact subjects the licensee to the jurisdiction of the state licensing authority, the courts, and the laws of the member state in which the cosmetology services are provided. This amendment authorizes a licensee to hold a multistate license, issued by their home state, in only one member state at any given time. If a licensee changes their home state by moving between two member states, then the licensee is subject to the following: (1) The licensee must immediately apply for the reissuance of their multistate license in their new home state. The licensee must pay all applicable fees and notify the prior home state in accordance with the rules of the commission; (2) Upon receipt of an application to reissue a multistate license, the new home state must verify that the multistate license is active, unencumbered, and eligible for reissuance under the terms of this compact and the rules of the commission. The multistate license issued by the prior home state must be deactivated and all member states notified in accordance with the applicable rules adopted by the commission; (3) If required for initial licensure, the new home state may require a background check as specified in the laws of that state, or the compliance with any jurisprudence requirements of the new home state; and (4) If a licensee does not meet the requirements set forth in this compact for the reissuance of a multistate license by the new home state, then the licensee is subject to the new home state requirements for the issuance of a single-state license in that state. If a licensee changes their primary state of residence by moving from a member state to a non-member state, or from a non-member state to a member state, then the licensee is subject to the state requirements for the issuance of a single-state license in the new home state. Nothing in this compact interferes with a licensee's ability to hold a single-state license in multiple states. However, for the purposes of this compact, a licensee must have only one home state, and only one multistate license. Additionally, nothing in this compact interferes with the requirements established by a member state for the issuance of a single-state license. This amendment prohibits anything in this compact, or any rule or regulation of the commission, from limiting, restricting, or in any way reducing the ability of a member state to enact and enforce laws, regulations, or other rules related to the practice of cosmetology in that state, where those laws, regulations, or other rules are not inconsistent with this compact. Insofar as practical, a member state's state licensing authority must cooperate with the commission and with each entity exercising independent regulatory authority over the practice of cosmetology according to this compact. This amendment provides that discipline is the sole responsibility of the state in which cosmetology services are provided. Accordingly, each member state's state licensing authority is responsible for receiving complaints about individuals practicing cosmetology in that state, and for communicating all relevant investigative information about any such adverse action to the other member states through the data system in addition to any other methods the commission may by rule require. This amendment provides that a licensee's home state has exclusive power to impose an adverse action against a licensee's multistate license issued by the home state. A home state may take adverse action on a multistate license based on the investigative information, current significant investigative information, or adverse action of a remote state. In addition to the powers conferred by state law, each remote state's state licensing authority has the power to do the following: (1) Take adverse action against a licensee's authorization to practice cosmetology through the multistate license in that member state, so long as: (i) only the licensee's home state has the power to take adverse action against the multistate license issued by the home state; and (ii) for the purposes of taking adverse action, the home state's state licensing authority must give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state must apply its own state laws to determine the appropriate action; (2) Issue cease and desist orders or impose an encumbrance on a licensee's authorization to practice within that member state; (3) Complete any pending investigations of a licensee who changes their primary state of residence during the course of such an investigation. The state licensing authority is also empowered to report the results of such an investigation to the commission through the data system as described in this compact; (4) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a state licensing authority in a member state for the attendance and testimony of witnesses or the production of evidence from another member state must be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing state licensing authority must pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located; (5) If otherwise permitted by state law, recover from the affected licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee; and (6) Take adverse action against the licensee's authorization to practice in that state based on the factual findings of another remote state. This amendment requires a licensee's home state to complete any pending investigation of a cosmetologist who changes their primary state of residence during the course of any investigation. The home state also has the authority to take appropriate actions and promptly report the conclusions of any investigation to the data system. If an adverse action is taken by the home state against a licensee's multistate license, then this amendment requires the licensee's authorization to practice in all other member states to be deactivated until all encumbrances have been removed from the home state license. All home state disciplinary orders that impose an adverse action against a licensee's multistate license must include a statement that the cosmetologist's authorization to practice is deactivated in all member states during the pendency of the order. However, nothing in this compact overrides a member state's authority to accept a licensee's participation in an alternative program in lieu of adverse action. A licensee's multistate license must be suspended for the duration of the licensee's participation in any alternative program. This amendment authorizes a member state to participate with other member states in joint investigations of licensees. Member states must share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under this compact. This amendment requires active military members, or their spouses, to designate a home state where the individual has a current license to practice cosmetology in good standing. The individual may retain their home state designation during any period of service when that individual or their spouse is on active duty assignment. This amendment provides that the compact member states hereby create and establish a joint government agency whose membership consists of all member states that have enacted this compact, known as the commission. The commission is an instrumentality of the compact member states acting jointly and not an instrumentality of any one state. The commission comes into existence on or after the effective date of this compact. This amendment provides that each member state has and is limited to one delegate selected by that member state's state licensing authority. The delegate must be an administrator of the state licensing authority of the member state or their designee. The commission must by rule or bylaw establish a term of office for delegates and may by rule or bylaw establish term limits. The commission may recommend removal or suspension of any delegate from office. A member state's state licensing authority must fill any vacancy of its delegate occurring on the commission within 60 days of the vacancy. Each delegate is entitled to one vote on all matters that are voted on by the commission. The commission must meet at least once during each calendar year. Additional meetings may be held as set forth in the bylaws. The commission may meet by telecommunication, video conference, or other similar electronic means. This amendment provides that the commission has the following powers: (i) establish the fiscal year of the commission; (ii) establish code of conduct and conflict of interest policies; (iii) adopt rules and bylaws; (iv) maintain its financial records in accordance with the bylaws; (v) meet and take such actions as are consistent with this compact, the commission's rules, and the bylaws; (vi) initiate and conclude legal proceedings or actions in the name of the commission. However, the standing of any state licensing authority to sue or be sued under applicable law must not be affected; (vii) maintain and certify records and information provided to a member state as the authenticated business records of the commission, and designate an agent to do so on the commission's behalf; (viii) purchase and maintain insurance and bonds; (ix) borrow, accept, or contract for services of personnel; (x) conduct an annual financial review; (xi) hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of this compact, and establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters; (xii) as set forth in the commission rules, charge a fee to a licensee for the grant of a multistate license and thereafter, as may be established by commission rule, charge the licensee a multistate license renewal fee for each renewal period. Nothing in this compact prevents a home state from charging a licensee a fee for a multistate license or renewals of a multistate license, or a fee for the jurisprudence requirement if the member state imposes such a requirement for the grant of a multistate license; (xiii) assess and collect fees; (xiv) accept any and all appropriate gifts, donations, grants of money, other sources of revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of the same. However, at all times the commission must avoid any appearance of impropriety or conflict of interest; (xv) lease, purchase, retain, own, hold, improve, or use any property, real, personal, or mixed, or any undivided interest therein; (xvi) sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed; (xvii) establish a budget and make expenditures; (xviii) borrow money; (xix) appoint committees, including standing committees, composed of members, state regulators, state legislators or their representatives, consumer representatives, and such other interested persons as may be designated in this compact and the bylaws; (xx) provide and receive information from, and cooperate with, law enforcement agencies; (xxi) elect a chair, vice chair, secretary, treasurer, and such other officers of the commission as provided in the commission's bylaws; (xxii) establish and elect an executive committee, including a chair and a vice chair; (xxiii) adopt and provide to the member states an annual report; (xxiv) determine whether a state's adopted language is materially different from the model compact language such that the state would not qualify for participation in this compact; and (xxv) perform such other functions as may be necessary or appropriate to achieve the purposes of this compact. This amendment provides that the executive committee has the power to act on behalf of the commission according to the terms of this compact. The powers, duties, and responsibilities of the executive committee include: (i) overseeing the day-to-day activities of the administration of this compact; (ii) recommending to the commission changes to the rules or bylaws, changes to this compact legislation, fees charged to compact member states, fees charged to licensees, and other fees; (iii) ensuring compact administration services are appropriately provided, including by contract; (iv) preparing and recommending the budget; (v) maintaining financial records on behalf of the commission; (vi) monitoring compact compliance of member states and providing compliance reports to the commission; (vii) establishing additional committees as necessary; (viii) exercising the powers and duties of the commission during the interim between commission meetings, except for adopting or amending rules, adopting or amending bylaws, and exercising any other powers and duties expressly reserved to the commission by rule or bylaw; and (ix) other duties as provided in the rules or bylaws of the commission. This amendment requires the executive committee to be composed of up to seven voting members as follows: (1) The chair and vice chair of the commission and any other members of the commission who serve on the executive committee must be voting members of the executive committee; (2) Other than the chair, vice chair, secretary, and treasurer, the commission must elect three voting members from the current membership of the commission; and (3) The commission may elect ex officio, nonvoting members from a recognized national cosmetology professional association as approved by the commission. The commission's bylaws must identify qualifying organizations and the manner of appointment if the number of organizations seeking to appoint an ex officio member exceeds the number of members specified. This

amendment authorizes the commission to remove any member of the executive committee as provided in the commission's bylaws. This amendment requires the executive committee to meet at least annually. Annual executive committee meetings, as well as any executive committee meeting at which it does not take or intend to take formal action on a matter for which a commission vote would otherwise be required, must be open to the public, except that the executive committee may meet in a closed, non-public session of a public meeting when authorized by this amendment. The executive committee must give five business days' advance notice of its public meetings, posted on its website and as determined to provide notice to persons with an interest in the public matters the executive committee intends to address at those meetings. This amendment authorizes the executive committee to hold an emergency meeting when acting for the commission to: (i) meet an imminent threat to public health, safety, or welfare; (ii) prevent a loss of commission or member state funds; or (iii) protect public health and safety. This amendment requires the commission to adopt and provide to the member states an annual report. This amendment requires all meetings of the commission that are not closed pursuant to the below provisions to be open to the public. Notice of public meetings must be posted on the commission's website at least 30 days prior to the public meeting. The commission may convene an emergency public meeting by providing at least 24 hours' prior notice on the commission's website, and any other means as provided in the commission's rules, for any of the reasons it may dispense with notice of proposed rulemaking. The commission's legal counsel must certify that one of the reasons justifying an emergency public meeting has been met. Notice of all commission meetings must provide the time, date, and location of the meeting, and if the meeting is to be held or accessible via telecommunication, video conference, or other electronic means, the notice must include the mechanism for access to the meeting. This amendment authorizes the commission to convene in a closed, non-public meeting for the commission to discuss the following: (i) non-compliance of a member state with its obligations under the compact; (ii) the employment, compensation, discipline, or other matters, practices, or procedures related to specific employees or other matters related to the commission's internal personnel practices and procedures; (iii) current or threatened discipline of a licensee by the commission or by a member state's licensing authority; (iv) current, threatened, or reasonably anticipated litigation; (v) negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate; (vi) accusing any person of a crime or formally censuring any person; (vii) trade secrets or commercial or financial information that is privileged or confidential; (viii) information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy; (ix) investigative records compiled for law enforcement purposes; (x) information related to any investigative reports prepared by or on behalf of or for use of the commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to this compact; (xi) legal advice; (xii) matters specifically exempted from disclosure to the public by federal or member state law; or (xiii) other matters as promulgated by the commission by rule. If a meeting, or portion of a meeting, is closed, then this amendment requires the presiding officer to state that the meeting will be closed and reference each relevant exempting provision, and such reference must be recorded in the minutes. This amendment requires the commission to keep minutes that fully and clearly describe all matters discussed in a meeting and to provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action must be identified in such minutes. All minutes and documents of a closed meeting must remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction. This amendment requires the commission to pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities. The commission may accept any and all appropriate sources of revenue, donations, and grants of money, equipment, supplies, materials, and services. The commission may levy on and collect an annual assessment from each member state and impose fees on licensees of member states to whom it grants a multistate license to cover the cost of the operations and activities of the commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount for member states must be allocated based upon a formula that the commission must promulgate by rule. This amendment prohibits the commission from incurring obligations of any kind prior to securing the funds adequate to meet the same. This amendment also prohibits the commission from pledging the credit of any member states, except by and with the authority of the member state. This amendment requires the commission to keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission are subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission are subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review must be included in and become part of the annual report of the commission. This amendment provides that the members, officers, executive director, employees, and representatives of the commission are immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities. However, nothing in these provisions protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the commission does not in any way compromise or limit the immunity granted hereunder. This amendment requires the commission to defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, so long as that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct. However, nothing in this compact prohibits that person from retaining their own counsel at their own expense. This amendment requires the commission to indemnify and hold harmless any member, officer, executive director, employee, and representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, so long as the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person. Nothing in this compact is a limitation on the liability of any licensee for professional malpractice or misconduct, which is governed solely by any other applicable state laws. Nothing in this compact waives or otherwise abrogates a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation. Nothing in this compact is a waiver of sovereign immunity by the member states or by the commission. This amendment requires the commission to provide for the development, maintenance, operation, and utilization of a coordinated database and reporting system. The commission must assign each applicant for a multistate license a unique identifier, as determined by the rules of the commission. This amendment requires a member state to submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including (i) identifying information; (ii) licensure data; (iii) adverse actions against a licensee and information related thereto; (iv) non-confidential information related to alternative program participation, the beginning and ending dates of such participation, and other information related to such participation; (v) any denial of application for licensure, and the reasons for such denial, excluding the reporting of any criminal history record information where prohibited by law; (vi) the existence of investigative information; (vii) the existence of current significant investigative information; and (viii) other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission. This amendment provides that the records and information provided to a member state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, constitute the authenticated business records of the commission, and are entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a member state. The existence of current significant investigative information and the existence of investigative information pertaining to a licensee in any member state must only be available to other member states. This amendment provides that it is the responsibility of the member states to monitor the database to determine whether adverse action has been taken against such a licensee or license applicant. Adverse action information pertaining to a licensee or license applicant in any member state must be available to any other member state. Member states contributing information to the data system may designate information that must not be shared with the public without the express permission of the contributing state. Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information must be removed from the data system. This amendment requires the commission to promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes of this compact. A rule is invalid and has no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of this compact, or the powers granted under this compact, or based upon another applicable standard of review. The rules of the commission have the force of law in each member state. However, where the rules of the commission conflict with the laws of the member state that establish the member state's scope of practice laws governing the practice of cosmetology as held by a court of competent jurisdiction, the rules of the commission are ineffective in that state to the extent of the conflict. The commission must exercise its rulemaking powers pursuant to the criteria set forth in this amendment and the rules adopted under this amendment. Rules become binding as of the date specified by the commission for each rule. If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then this amendment provides that such rule has no further force and effect in any member state or to any state applying to participate in this compact. This amendment requires rules to be adopted at a regular or special meeting of the commission. Prior to adoption of a proposed rule, the commission must hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments. Prior to adoption of a proposed rule by the commission, and at least 30 days in advance of the meeting at which the commission will hold a public hearing on the proposed rule, the commission must provide a notice of proposed rulemaking: (i) on the website of the commission or other publicly accessible platform; (ii) to persons who have requested notice of the commission's notices of proposed rulemaking; and (iii) in such other ways as the commission may by rule specify. This amendment requires the notice of proposed rulemaking to include the following: (i) the time, date, and location of the public hearing at which the commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the commission will consider and vote on the proposed rule; (ii) if the hearing is held via telecommunication, video conference, or other electronic means, the commission must include the mechanism for access to the hearing in the notice of proposed rulemaking; (iii) the text of the proposed rule and the reason therefor; (iv) a request for comments on the proposed rule from any interested person; and (v) the manner in which interested persons may submit written comments. This amendment requires all hearings to be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule must be available to the public. Nothing in this amendment requires a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings. This amendment requires the commission to, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule. The commission may adopt changes to the proposed rule; so long as the changes do not enlarge the original purpose of the proposed rule. The commission must provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters. The commission must determine a reasonable effective date for the rule. Except for an emergency, the effective date of the rule must be no sooner than 45 days after the commission issuing the notice that it adopted or amended the rule. Upon determination that an emergency exists, this amendment authorizes the

commission to consider and adopt an emergency rule with five days' notice, with opportunity to comment; provided, that the usual rulemaking procedures provided in this compact must be retroactively applied to the rule as soon as reasonably possible, but in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately to: (i) meet an imminent threat to public health, safety, or welfare; (ii) prevent a loss of commission or member state funds; (iii) meet a deadline for the promulgation of a rule that is established by federal law or rule; or (iv) protect public health and safety. This amendment authorizes the commission or an authorized committee of the commission to direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions must be posted on the website of the commission. The revision is subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge must be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, then the revision takes effect without further action. If the revision is challenged, then the revision does not take effect without the approval of the commission. This amendment provides that no member state's rulemaking requirements apply under this compact. This amendment requires the executive and judicial branches of state government in each member state to enforce this compact and take all actions necessary and appropriate to implement this compact. Venue is proper and judicial proceedings by or against the commission must be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing in this compact affects or limits the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or such similar matter. This amendment provides that the commission is entitled to receive service of process in any proceeding regarding the enforcement or interpretation of this compact and has standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process renders a judgment or order void as to the commission, this compact, or promulgated rules. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, then this amendment requires the commission to provide written notice to the defaulting state. The notice of default must describe the default, the proposed means of curing the default, and any other action that the commission may take, and must offer training and specific technical assistance regarding the default. The commission must provide a copy of the notice of default to the other member states. If a state in default fails to cure the default, then this amendment authorizes the defaulting state to be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default. This amendment terminates termination of membership in the compact to be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate must be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority, and each of the member states' state licensing authority. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination. Upon the termination of a state's membership from this compact, that state must immediately provide notice to all licensees who hold a multistate license within that state of such termination. The terminated state must continue to recognize all licenses granted pursuant to this compact for a minimum 180 days after the date of said notice of termination. This amendment prohibits the commission from bearing any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party must be awarded all costs of such litigation, including reasonable attorney's fees. Upon request by a member state, this amendment requires the commission to attempt to resolve disputes related to the compact that arise among member states and between member and non-member states. The commission must promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate. This amendment requires the commission, in the reasonable exercise of its discretion, to enforce this compact and the commission's rules. By majority vote as provided by commission rule, the commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with this compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party must be awarded all costs of such litigation, including reasonable attorney's fees. The remedies in this compact are not the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law. This amendment authorizes a member state to initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with this compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party must be awarded all costs of such litigation, including reasonable attorney's fees. This amendment prohibits an individual or entity other than a member state from enforcing this compact against the commission. This amendment provides that the compact comes into effect on the date on which the compact statute is enacted into law in the seventh member state. On or after the effective date of the compact, this amendment requires the commission to convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different than the model compact statute. A charter member state whose enactment is found to be materially different from the model compact statute is entitled to the default process. If any member state is later found to be in default, or is terminated or withdraws from the compact, then the commission must remain in existence and the compact must remain in effect even if the number of member states is less than seven. This amendment provides that member states enacting the compact subsequent to the charter member states are subject to the process set forth in the provisions of this amendment regarding the commission's powers to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact. All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence are considered to be actions of the commission unless specifically repudiated by the commission. Any state that joins the compact is subject to the commission's rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission has the full force and effect of law on the day the compact becomes law in that state. This amendment authorizes any member state to withdraw from this compact by enacting a statute repealing that state's enactment of the compact. A member state's withdrawal does not take effect until 180 days after enactment of the repealing statute. Withdrawal does not affect the continuing requirement of the withdrawing state's state licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal. Upon the enactment of a statute withdrawing from this compact, a state must immediately provide notice of such withdrawal to all licensees within that state. Such withdrawing state must continue to recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal. Nothing in this compact invalidates or prevents any licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with this compact. This amendment authorizes this compact to be amended by the member states. No amendment to this compact becomes effective and binding upon any member state until it is enacted into the laws of all member states. This amendment requires this compact and the commission's rulemaking authority to be liberally construed so as to effectuate the purposes and the implementation and administration of this compact. Provisions of this compact expressly authorizing or requiring the promulgation of rules do not limit the commission's rulemaking authority solely for those purposes. This amendment provides that the provisions of this compact are severable and, if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any member state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, then the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance must not be affected thereby. This amendment authorizes the commission to deny a state's participation in this compact or terminate a member state's participation in this compact, if it determines that a constitutional requirement of a member state is a material departure from this compact. Otherwise, if this compact is held to be contrary to the constitution of any member state, then the compact must remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters. This amendment provides that nothing in this compact prevents or inhibits the enforcement of any other law of a member state that is not inconsistent with this compact. Any laws, statutes, regulations, or other legal requirements in a member state in conflict with this compact are superseded to the extent of the conflict. All permissible agreements between the commission and the member states are binding in accordance with their terms. Present law requires any person who desires a license to instruct in a school to submit an application for examination to the board on the prescribed form. The application must be accompanied by satisfactory proof that the applicant has been licensed as a cosmetologist, aesthetician, manicurist, or natural hair stylist for at least three continuous years. This amendment revises the present law and requires satisfactory proof that the applicant has been licensed as a cosmetologist, aesthetician, manicurist, or natural hair stylist at least three years, instead of three continuous years. Present law requires an application for examination to the state board of cosmetology and barber examiners to be accompanied by proof that the applicant has received a high school diploma or, in lieu of a high school diploma, has received a high school equivalency credential approved by the state board of education. This amendment deletes this provision. Present law authorizes a barbering school to only enroll a student who: (i) is at least 16; and (ii) has completed and passed at least two years of high school or received a score of at least 38 percent on the GED(R) or HiSET(R) examination. This amendment deletes (ii) above from the present law. Present law requires the board to issue a certificate of registration as a barber instructor to a person who, among other things, holds a valid certificate of registration as a master barber and has been duly registered as a master barber for a period of at least three consecutive years prior to filing an application to be an instructor. This amendment revises the present law by no longer requiring the three years to be consecutive. Present law also requires the board to issue a certificate of registration as a barber instructor to a person who has completed the twelfth grade in an accredited school or the equivalent. This amendment deletes this provision. Present law authorizes a certificate of registration for a master barber that has been expired for more than one year but less than three years to be reinstated upon payment of twice the fees that would have been collected for the timely and continuous renewal of the certificate. This amendment revises the present law by, instead, authorizing a certificate of registration for a master barber that has been expired for more than one year but less than three years to be reinstated upon payment of a penalty fee as set by the board. Present law requires an application to practice manicuring application to be accompanied by satisfactory proof that the applicant is a high school graduate, evidenced by a certificate or diploma, or possesses a high school equivalency credential approved by the state board of education. This amendment deletes this provision. Present law authorizes a cosmetology school to enroll only a student who (i) has attained the age of at least 16; and (ii) has completed and passed at least two years of high school or received at least a score of 38 percent on the GED(R) or HiSET(R) examination. Public and vocational schools are exempt from this provision. This amendment deletes (ii) above. This amendment authorizes the department of commerce and insurance, in consultation with the state board of cosmetology and barber examiners, to promulgate to implement this amendment. This amendment requires the chair of the state board of cosmetology and barber examiners to notify the chair of the government operations committee of the senate, the chair of the government operations committee of the house of representatives, and the revisor of statutes in the general

assembly's office of legal services within 30 days of the date the compact comes into effect. Senate amendment 2 (015562) exempts public schools and vocational schools from the law regarding students in the Tennessee Cosmetology Act of 1986. (Dated February 2, 2024) NOT SIGNIFICANT

SB2264/HB2440 Annual report required by pre-need seller and trustee.

Sponsors: Sen. Kyle, Sara , Rep. Sparks, Mike
Summary: Reduces, from 75 to 60, days after the end of the pre-need seller's fiscal year the time by which a pre-need seller and trustee must file an annual report with the commissioner of commerce and insurance. Broadly captioned.
Amendment Summary: Senate amendment 1 (014744) authorizes a temporarily retired real estate firm, real estate broker, affiliate broker, time-share salesperson, or acquisition agent whose license was in good standing with the Tennessee Real Estate Commission at the time of temporary retirement but whose license has lapsed due to non-payment of renewal fees to reactivate the license upon the payment of all renewal fees owed and any penalty imposed by the commission. Senate amendment 2 (016043) authorizes a temporarily retired real estate firm, real estate broker, affiliate broker, time-share salesperson, or acquisition agent whose license was in good standing with the Tennessee Real Estate Commission at the time of temporary retirement but whose license has lapsed due to non-payment of renewal fees to reactivate the license upon the payment of all renewal fees owed and any penalty imposed by the commission. Requires the licensee to also submit proof of continuing education courses in real estate that would have been required had the licensee's license been active during the temporary retirement period in order to reactivate the license.

SB2769/HB2055 Deletes reference to a repealed statute regarding actions by county board of equalization.

Sponsors: Sen. Bowling, Janice , Rep. Eldridge, Rick
Summary: Deletes a reference to a repealed statute from the present law governing the deadline by which an action by the county board of equalization during its regular session must be completed and notice of its decision and appeal procedure must be sent. Broadly captioned.
Amendment Summary: Senate amendment 1 (015673) rewrites the bill to, instead, do the following: (1) Require an assessor of property to notify the register of deeds as to which records required under this part meet the definition of "permanent records" as defined in state law; (2) Change the present law definition of a "movable structure" to include a mobile home or such other movable structure that is constructed as a trailer or semitrailer and designed to either be towed along the highways or to be parked off the highways, and that may be used, temporarily or permanently, as a residence, apartment, office, storehouse, warehouse, or for any other commercial or industrial purpose; and (3) Authorize the state board of equalization to approve a reappraisal plan specifying a schedule for continuous on-site review or photo review that is different than the standard schedule provided in state law relative to periodic reappraisal and equalization of property taxes, but that is no longer than four years.

SB795/HB1259 Transfer of a possibility of reverter or right of entry by a holder other than the original grantor.

Sponsors: Sen. Gardenhire, Todd , Rep. Rudd, Tim
Summary: Removes ambiguous language and clarifies that a transfer of a possibility of reverter or right of entry by a holder other than the original grantor is invalid unless the validity of the future interest was determined by a final judgment in a judicial proceeding, or by a settlement among interested persons, prior to July 1, 2015. Broadly captioned.
Amendment Summary: Senate amendment 1 (003741) clarifies that a tenancy by the entirety in real property cannot be assigned or severed, or a spouse's interest in a real property conveyed, to a third party without the written consent of both spouses or a court order. House amendment 1 (017426) establishes a process by which a property owner may file a complaint to request the sheriff remove an unlawful occupant of a residential dwelling under certain conditions. Requires the sheriff to: (1) investigate the complaint; and (2) serve a notice to immediately vacate on all unlawful occupants. Authorizes the sheriff to arrest any person in the dwelling for trespass, outstanding warrants, or any other legal cause. Entitles the sheriff to a fee for service of the notice to immediately vacate and authorizes the sheriff to charge a reasonable hourly rate should the property owner request the sheriff to be on standby as the locks are changed and an unlawful occupant's personal property is removed. Authorizes a person to bring a civil action if they are wrongfully removed from a dwelling and requires the court to expedite such hearing.

SB2103/HB1893 Value of tangible property as minimum tax base.

Sponsors: Sen. Johnson, Jack , Rep. Lamberth, William
Summary: Deletes the provision requiring that the measure of the franchise tax must not be less than the actual value of the real or tangible property owned or used by a taxpayer in this state. Authorizes the commissioner of revenue to issue refunds under certain conditions to taxpayers who properly file a claim for refund for taxes paid under that provision.

Amendment Summary: Senate amendment 2 (003515) makes the following changes to the bill: (1) Requires the tax subject to refund to have been reported to the department of revenue ("department") on a return filed on or after January 1, 2021, covering a tax period that ended on or after March 31, 2020, and the refund claim must be filed between May 1, 2024 and February 3, 2025, instead of requiring the refund to be claimed within three years from December 31 of the year in which the payment was made or within any period covered by an extension; (2) Requires all refunds paid pursuant to the bill to be paid from an appropriately designated fund established by the commissioner of finance and administration. Except as otherwise provided in this (2), any unexpended balance at the end of a fiscal year must not revert to the general fund but must be carried forward to be expended in the subsequent fiscal year. On or before June 30, 2025, the commissioner of finance and administration and the commissioner of revenue must jointly certify to the chairs of the finance, ways and means committees of the senate and the house of representatives the amount claimed pursuant to the bill. On July 1, 2025, any funds in excess of the certified amount must revert to the general fund. The fund specified in this (2) expires upon final payment of all refunds due pursuant to this section, and any remaining balance must revert to the general fund. It is the legislative intent that the beginning balance in the fund must be from funds appropriated by the general assembly in the general appropriations act for the purposes of the bill; and (3) On or before December 31, 2024, requires the department of revenue to report in writing to the chairs of the finance, ways and means committees of the senate and the house of representatives, and to the directors of the office of legislative budget analysis, the total number of refund claims filed and the total amount paid pursuant to the bill; this removes the requirement to report annually until December 31, 2027. House amendment 1 (017753) makes the following changes: (1) Revises the provision in the bill requiring the tax subject to refund to have been reported to the department of revenue ("department") on a return filed on or after January 1, 2021, covering a tax period that ended on or after March 31, 2020, and the refund claim must be filed between May 1, 2024 and February 3, 2025, by, instead, requiring the tax subject to refund must have been reported to the department on a return filed on or after January 1, 2023, covering a tax period that ended on or after March 31, 2022, and the refund claim must be filed pursuant to this section between May 1, 2024, and February 3, 2025; (2) Adds to the provision in the bill requiring the claim for refund, including information necessary to determine the proper amount due, to be filed on a form prescribed by the commissioner exclusively for the purpose of seeking a refund and must not include a claim for refund on any other basis by requiring the form to include a statement that upon acceptance of a refund, the taxpayer knowingly waives any claim by the taxpayer or the right to file suit alleging that the franchise tax in the Franchise Tax Law of 1999 is unconstitutional by failing the internal consistency test; (3) If a taxpayer is due a refund under this bill and the taxpayer is a party to an agreement with the department of economic and community development and, as a result of such agreement, has received or is entitled to a tax credit administered by the department of revenue, requires the tax credit must first be used to offset and reduce the amount of the refund due to the taxpayer (4) Requires the name of each taxpayer issued a refund and the amount of the refund issued to be published on the department's website; (5) Prohibits attorneys' fees from being added to the amount of refund due; (6) Requires the office of the attorney general to review and approve the department's process for reviewing refund claims under this bill before the department is authorized to review and approve such claims; (7) If the application of the Franchise Tax Law of 1999 to a tax period results in a lower tax base than the minimum tax base of the value of tangible property, as it existed prior to the effective date of this bill, and as it applied to tax periods ending before December 31, 2023, then this amendment authorizes a taxpayer to annually elect to use the minimum tax base of the value of tangible property as it applied to tax periods ending before December 31, 2023. However, the election must result in a higher tax levied for the tax period under the law relevant to the rate of tax under the Franchise Tax Law of 1999, and the taxpayer waives any claim that the minimum tax base of the value of tangible property is unconstitutional by failing the internal consistency test; (8) Adds to the present law providing that the commissioner of revenue, with the approval of the attorney general is empowered and directed to refund to taxpayers all taxes collected or administered by the commissioner that are, on the date of payment, paid in error or paid against any statute, rule, regulation or clause of the constitution of this state or of the United States. The commissioner is also authorized to automatically issue a credit or refund, without the necessity of the approval for the portion of estimated taxes paid in excess of the actual liability established by the initial and subsequently filed return for the tax period. The authority granted in this present law extends only to taxes for which a claim is filed, with the commissioner under penalties of perjury, within three years from December 31 of the year in which the payment was made. However, this amendment provides that with regard to the payment of a franchise tax levied under the Franchise Tax Law of 1999, the authority granted in the present law in (8) above extends only to taxes for which a claim is filed, with the commissioner under penalties of perjury, within one year from December 31 of the year in which the payment was made; and (9) Requires a suit that contains a claim or allegation that the franchise tax in the Franchise Tax Law of 1999, or any provision of that act is unconstitutional by failing the internal consistency test to be filed on or before February 3, 2025.

Fiscal Note: (Dated February 12, 2024) Increase State Revenue \$1,561,577,600/FY24-25/Franchise Tax Refund Fund Decrease State Revenue \$393,400,000/FY24-25/General Fund \$405,200,000/FY25-26 and Subsequent Years/General Fund Increase State Expenditures \$1,561,577,600/FY24-25/General Fund Other Fiscal Impact Should taxpayers amend estimated tax payments as a result of the proposed legislation in FY23-24, decreases in state franchise tax revenue will be realized prior to FY24-25. The amount of any decrease is dependent on multiple unknown factors and cannot be reasonably determined. An amount of up to \$1,561,577,600 will be expended from the Franchise Tax Refund Fund beginning in FY24-25 and ending in FY27-28. The Governors FY24-25 proposed budget includes a one-time appropriation of \$1,200,000,000 in FY23-24 and recognizes a decrease in recurring revenue of \$410,000,000, beginning in FY24-25.

SB2172/HB2312 Acceptance of partial payments of delinquent property taxes.

Sponsors: Sen. Hensley, Joey , Rep. Baum, Charlie

Summary: Authorizes municipal tax collectors and taxing entities to also accept partial payments of delinquent property taxes in the same manner as county trustees. Requires such officials to include in their plan for accepting partial payments a description of the accounting system technology or manual processes to be used to record partial payments of delinquent property taxes and a statement indicating that funds received as partial payments on delinquent property taxes will reduce the amount of delinquent property tax, interest, statutory fees, and court costs, by relative amounts on a pro-rata basis.

Amendment Summary: House amendment 1 (014462) clarifies that the bill does not authorize a clerk of a court in which a proceeding is pending to accept a partial payment of delinquent taxes, interest, or court costs, except pursuant to the law regarding waiver relevant to property taxes, payment of a personal judgment for delinquent personal property taxes in installments, or a payment distribution plan approved in a bankruptcy proceeding. Senate amendment 1 (017595) makes the following changes, in the context of partial payments of delinquent property taxes that must be applied on a pro-rata basis to the delinquent property tax, interest, statutory fees, and court costs due, as follows: (1) Requires that the application of payment of interest on a partial payment be calculated by the amount of the partial payment multiplied by the quotient of the interest due prior to the partial payment and the sum of the delinquent property tax, interest, statutory fees, and court costs due prior to the partial payment; (2) Requires that the application of payment of statutory fees on a partial payment be calculated by the amount of the partial payment multiplied by the quotient of the fees due prior to the partial payment and the sum of the delinquent property tax, interest, statutory fees, and court costs due prior to the partial payment; (3) Requires that the application of payment of court costs on a partial payment be calculated by the amount of the partial payment multiplied by the quotient of the court costs due prior to the partial payment and the sum of the delinquent property tax, interest, statutory fees, and court costs due prior to the partial payment; and (4) Authorizes a rounding difference between the total of the individual applications of amounts due and the partial payment amount to be applied to any of the amounts due to make the total of the individual applications equal to the partial payment amount.

SB2315/HB2368 Residential Infrastructure Development Act of 2024.

Sponsors: Sen. Pody, Mark , Rep. Carr, Dale

Summary: Authorizes a uniform procedure to establish infrastructure development districts as an alternative method to fund and finance capital infrastructure through the levy and collection of special assessments. Provides for the uniform operation, exercise of power, and procedure for termination of any such independent district. Defines "host municipality" and other relative definitions. Authorizes the governing body of a host municipality to create, by resolution, one or more infrastructure development districts located in whole or part within the boundaries of such municipality. Requires an infrastructure development district to be approved by the governing body of each host municipality. Specifies residential requirement for district area. Also specifies public hearing and notice requirements regarding infrastructure development districts (19 pp.).

Amendment Summary: Senate amendment 1 (015807) makes the following changes: (1) Clarifies that, as used in the bill, an "infrastructure development district" or "district" does not include a development district created pursuant to the Development District Act of 1965; (2) Revises the provision in the bill that defines "infrastructure" to mean (i) the streets, roads, bridges, and sidewalks, and water, wastewater, natural gas, electric, telecommunications, and storm water facilities, required for the development of a district, as identified in the establishment resolution, whether within or without the boundaries of the district; and (ii) land within the boundaries of the district required to be donated, dedicated, or otherwise made available to a governmental entity for public purposes by clarifying that the streets, roads, bridges, and sidewalks, and water, wastewater, natural gas, electric, telecommunications, and storm water facilities mentioned in (2)(i) above benefit the properties within the district; (3) Adds to the provisions in the bill requiring special assessments to be levied on the basis and in the amount set forth in the establishment resolution by also requiring the governing body to determine the total costs and expenses to be paid from the special assessments, and apportion such costs and expenses upon the various properties located within the district in accordance with the benefits conferred upon the various properties; (4) In determining the benefits to each lot or parcel of property within the district, authorizes the governing body to consider (i) frontage; (ii) area; (iii) the proportion that the assessed value of each lot or parcel bears to the whole assessed value of all properties within the district; or (iii) a combination of such factors; (5) Requires special assessments to be imposed and collected annually; (6) Provides that all books of accounts and financial records of the district are subject to annual audit by the comptroller of the treasury or the comptroller's designee. The host municipality must pay for the cost of any audit; (7) Requires the comptroller of the treasury to ensure that audits are prepared in accordance with generally accepted governmental auditing standards and determine if the audits meet minimum audit standards prescribed by the comptroller of the treasury. An audit must not be accepted as meeting the requirements of this amendment until approved by the comptroller of the treasury; (8) Requires all audits to be completed as soon as practicable after the end of the fiscal year of the host municipality. One copy of each audit must be furnished to each member of the governing body and the comptroller of the treasury; and (9) Revises the provisions in the bill authorizing the establishment of a district to be initiated by a petition filed in the office of the clerk or other officers responsible for keeping the records of the governing body of each host municipality required to approve the establishment of such district, signed by (i) the developer; (ii) a majority of the owners of real property in the district having an assessed value of not less than two-thirds of the assessed value of all the real property proposed to be included in the district; and (iii) the owners of each parcel of property within the district which is, at the time of the filing of the petition, being assessed as residential property by, instead, requiring the petition to be signed by (i) the developer; and (ii) the owners of each parcel of property proposed to be included in the district. House amendment 2 (018099) specifies that the maximum term of any bonds, notes, or other debt obligations pursuant to this section to fund the cost of infrastructure, including any refinancing bonds, must not exceed 30 years from the issuance of the bonds, notes, or other debt obligations for the purpose of funding the infrastructure.

Fiscal Note: (Dated March 3, 2024) Other Fiscal Impact A precise impact to local government revenue and expenditures cannot be estimated, but such impacts are considered permissive.

SB2377/HB2842 Department of ECD prohibited from regulating certain farming activities.

Sponsors: Sen. Watson, Bo , Rep. Vital, Greg

Summary: Prohibits the department of environment and conservation from regulating or otherwise overseeing farming activities involving topsoil, rock removal, or the building of a pond when such activities are conducted in an area that is less than five acres in size, and the property on which the activities occur has a greenbelt classification pursuant to the Agricultural, Forest and Open Space Land Act of 1976. Broadly captioned.

Amendment Summary: Senate amendment 2 (014982) rewrites the bill to, instead amend the present law definition of "rock harvesting" to (i) mean the removal of the minerals dimension stone, flagstone, fieldstone, landscaping stone, drystack stone, fagade, and marble, by an operator with or without machinery; and (ii) not include activity that is exempt from the Water Quality Control Act by state law.

SB2448/HB2215 Real Estate Fraud Reduction Act.

Sponsors: Sen. Akbari, Raumesh , Rep. Parkinson, Antonio

Summary: Enacts the "Real Estate Fraud Reduction Act," which requires county registers of deeds and notaries public to verify the identity of a person recording or notarizing a document relating to certain real estate transactions, as applicable, using a government-issued identification card. Requires such registers and notaries to document and maintain as a permanent record certain personally identifying information of a person recording or notarizing such a document. Specifies penalties for violations by a notary public. Broadly captioned.

Amendment Summary: Senate amendment 1 (017172) rewrites the bill to, instead, require the Tennessee Advisory Commission on Intergovernmental Relations (TACIR) to conduct a study and compile a report to be submitted to the general assembly on real estate fraud in this state. The study must investigate the prevalence of real estate fraud in this state, the different schemes used to perpetrate real estate fraud, the methods used by other states to combat real estate fraud, and the best practices for local government officials in registering documents related to real estate transactions. The report must provide a detailed summary of the study and provide suggested statutory revisions that are designed to reduce the risk of real estate fraud for property owners in this state.

SB2550/HB2624 Revises current law regarding property tax liens and delinquent property taxes.

Sponsors: Sen. Swann, Art , Rep. Carr, Dale

Summary: Grants first priority to property tax liens relative to receiver's liens and other liens established under the Neighborhood Preservation Act and the Tennessee Local Land Bank Program. Clarifies that various provisions governing judicial sales do not apply to property tax proceedings. Makes various revisions to laws governing property tax liens, delinquent property taxes, and property tax proceedings. (21pp.). Broadly captioned.

Amendment Summary: House amendment 1 (016386) makes changes regarding local banks and bids for the acquisition of real property. If a local bank submits a bid equal to or greater than the highest bidder within two business days from the close of the tax sale auction, then the local bank is the prevailing bidder. Cleans up the bill. Authorizes a negotiated sale if a second sale is not permissible for a real property. House amendment 2 (017255) revises various laws governing property tax liens, delinquent property taxes, and property tax proceedings. Grants first priority to property tax liens relative to receiver's liens and other liens established under the Tennessee Local Land Bank Program. Revises provisions regarding the preemption of a bid from a land bank in a tax sale for delinquent municipal property taxes. Clarifies that various provisions governing judicial sales do not apply to property tax proceedings. Provides local governments new options for disposing of properties sold at a tax sale.

Fiscal Note: (Dated March 16, 2024) Other Fiscal Impact A precise impact to local revenue and mandatory expenditures cannot be estimated with certainty. *

SB2588/HB2097 Issuance of advisory opinions by state regulatory boards and state health related boards.

Sponsors: Sen. Taylor, Brent , Rep. Vaughan, Kevin

Summary: Requires state regulatory boards within the department of commerce and insurance to issue advisory opinions upon request to any person who is certified, licensed, or registered by such state entities. Also requires state health related boards within the department of health to issue advisory opinions upon request.

Amendment Summary: Senate amendment 1 (015518) requires the commissioner of commerce and insurance, instead of the commissioner of health, to promulgate rules to effectuate the bill. House amendment 2 (017335) requires all state entities and programs that are administratively attached to the division of regulatory boards to issue advisory private letter rulings to any affected person who is certified, licensed, or registered by such state entities or under such programs, as applicable, and who makes such a request regarding any matters within the state entities' or under such program's primary jurisdiction. The private letter ruling only affects the person making the inquiry and must have no precedential value for any other inquiry or future contested case to come before the state entity or under such program. Any dispute regarding a private letter ruling may be resolved pursuant to the declaratory order provisions under state law if the board chooses to do so. The division of regulatory boards may prescribe a fee for the issuance of an advisory private letter ruling by rule promulgated in accordance with the bill.

SB2561/HB2618 **Nonprofit organization that has entered into a contract with district attorney general.**

Sponsors: Sen. Taylor, Brent , Rep. Gillespie, John
Summary: Requires a nonprofit organization that has entered into a contract or memorandum of understanding with the district attorney general to disclose the list of persons or entities that have donated to the nonprofit in the previous calendar year, upon written request from a member of the general assembly or passage of a resolution requesting the information by a county legislative body for a county within the judicial district. Broadly captioned.

Amendment Summary: Senate amendment 1 (013951) requires a nonprofit organization that has entered into a contract or memorandum of understanding with the district attorney general to disclose the list of persons or entities that have donated to the nonprofit in the previous calendar year, upon written request from a member of the general assembly or passage of a resolution requesting the information by a county legislative body for a county within the judicial district, unless such contract or memorandum of understanding is required by statute. House amendment 1 (015356) rewrites the bill to, instead, make the following additions to the present law: (1) If a written request for the following information is made jointly by the speaker of the senate and the speaker of the house of representatives, then this amendment requires a nonprofit organization that has entered into a contract or memorandum of understanding with the district attorney general related to policies and strategies related to cash bail, unless such contract or memorandum of understanding is required by statute, to disclose to the speakers the list of persons or entities that have donated to the nonprofit organization in the previous calendar year in accordance with this amendment; (2) The disclosed list of persons or entities that have donated to the nonprofit organization must be restricted to the lesser of the top five donors or the top 5 percent of donors in the previous calendar year. The aggregate donation during the previous calendar year must be equal to or greater than \$25,000; and (3) Disclosure of the list of persons or entities must only include the name of the person or entity. Other personal identifying information or details must not be included.

Sponsors: Sen. Johnson, Jack , Rep. Whitson, Sam

Summary: Establishes a five-day period after the effective date of this act during which a nonprofit organization may apply to operate a charitable gaming event during the annual period beginning July 1, 2023, until June 30, 2024.

Amendment Summary: House amendment 1 (013744) authorizes nonprofit organizations to submit an annual charitable gaming event application to the Secretary of State(SOS) within five calendar days after this proposed legislation becomes law for events being held from the period beginning July 1, 2023, and ending June 30, 2024, and for events being held in the period beginning July 1, 2024, and ending June 30, 2025. Requires the omnibus listing of any approved organizations for the period beginning July 1, 2023 to June 30, 2024, and for July 1, 2024 to June 30, 2025, to be transferred to the Clerk of the Senate and the Clerk of the House of Representatives within 10 calendar days after this proposed legislation becomes law.

SB1837/HB2075 **Implementation of an electronic lien and title system.**

Sponsors: Sen. Johnson, Jack , Rep. Bricken, Rush

Summary: Requires the department to, on or before December 31, 2025, procure and implement an electronic lien and title system to be used throughout the state. Broadly captioned.

Amendment Summary: House amendment 1 (014689) rewrites the bill to, instead, (i) require the department of revenue to, on or before December 31, 2025, procure an electronic lien and title system to be used throughout the state; and (ii) revise "electronic lien and title system" to mean a program that allows the exchange of lien and title information with lienholders and is used to create, save, alter, and transfer titles to property. Senate amendment 1 (016041) revises the provision that requires the department of revenue to, on or before December 31, 2025, procure an electronic lien and title system to be used throughout the state by changing the date to June 30, 2026.

SB1915/HB1859 **Occupational licensing for individuals with a criminal record.**

Sponsors: Sen. Niceley, Frank , Rep. Davis, Elaine

Summary: Prohibits certain licensing authorities from automatically barring an individual from licensure because of the individual's criminal record. Requires the licensing authority to provide individualized consideration of an individual's criminal record and circumstances. Specifies which convictions a licensing authority may consider in deciding for licensure. Makes other changes related to licensure determinations and criminal records including not using a vague term in its consideration and its notice or decision, including good moral character, moral turpitude, or character and fitness. (11pp). Broadly captioned.

Amendment Summary: House amendment 1 (016022) prohibits a licensing authority under the Division of Health-Related Boards or a licensing authority under the Department of Commerce and Insurance from using vague terms including terms such as good moral character or character and fitness, in its considerations and its notices or decisions without also explaining how a prior conviction directly relates to the applicable occupation, profession, business, or trade, if such prior conviction serves as a basis for the licensing authority's consideration and notice or decision.

Fiscal Note: (Dated March 9, 2024) Other Fiscal Impacts Due to multiple unknown variable, the net impact on state license fee revenue cannot be quantified with reasonable certainty.

SB2082/HB1684 **Resilient Tennessee Revolving Loan Fund Act.**

Sponsors: Sen. Johnson, Jack , Rep. Lamberth, William

Summary: Creates the Resilient Tennessee Revolving Fund Act. Declares that disaster mitigation and resiliency are of the highest priority to the state. Ensures that Tennessee is ready and able to receive federal funds from the Safeguarding Tomorrow through Ongoing Risk Mitigation (STORM) Act. Requires the following money to be deposited into the fund: money received through FEMA and the STORM Act, money appropriated by the general assembly, investment and interest earnings, money received as repayment of loan principal and interest, and all money received by the fund. Requires money in the fund to be used to provide loans at an interest rate not exceeding 1% to eligible recipients. Allows money in the fund to be used to provide loans and financial assistance to recipients that mitigate the impacts of natural hazards. Requires TEMA to administer the fund and adopt rules and regulations for the fund's administration. Requires the agency to publish information about all projects receiving funding. Part of Administration Package.

Fiscal Note: (Dated February 10, 2024) Increase State Expenditures - \$384,900/FY24-25 and Subsequent Years The Governors proposed FY24-25 budget, on page A-35, recognizes a recurring increase in state expenditures of \$357,000 for five emergency management specialist-3 positions.

SB2150/HB2249 Declaration subject time frame.

Sponsors: Sen. Johnson, Jack , Rep. McCalmon, Jake

Summary: Reduces from 30 business days to 30 days, the amount of time that a business entity that is subject to a declaration has to send notice of a change in contact information for the entity or a transfer of the ownership interest in the residential property to the homeowners' association. Broadly captioned.

Amendment Summary: Senate amendment 1 (014107) rewrites the bill to add to the law regarding homeowners' associations, as follows: (1) This amendment requires a homeowners' association seeking to levy a special assessment on its members for a nonessential amenity to (i) pass the assessment by at least a two-thirds majority vote of the total members in the homeowners' association; and (ii) provide members with financing or a payment plan over a defined period of time. As used in this amendment, a "nonessential amenity" means an amenity that is not essential to the daily regular operation of the community, including a pool, tennis court, or club house and does not include: (i) a road, utility, or other amenity that is necessary to the daily regular operation of a community; or (ii) an amenity described in the declaration but not yet built; (2) This amendment provides that if a member of the homeowners' association fails to pay a special assessment for a nonessential amenity, then this amendment prohibits the homeowners' association from taking a foreclosure action against the property or the member for failure to pay the special assessment; and (3) This amendment revises the present law that provides that the law regarding multiple ownership of property relevant to homeowners' associations applies to declaration amendments that are enacted on or after May 1, 2021. This amendment clarifies that such present law is not applicable to the provisions in this amendment.

SB2256/HB2713 Makes various changes on trusts, estates, and partnerships.

Sponsors: Sen. Stevens, John , Rep. Garrett, Johnny

Summary: Makes various changes to present law on trusts, estates, and partnerships. Broadly captioned.

Amendment Summary: Senate amendment 1 (013721) makes the following changes: (1) Revises the bill by also authorizing a grandparent or sibling of an incapacitated adult who has assumed responsibility for the adult as determined by the disinterested trustee in the trustee's own discretion to represent and bind the incapacitated adult if a conservator of the property or of the person has not been appointed and an agent does not have authority to act with respect to the matter in question; (2) Deletes the provision in the bill that authorizes, following the settlor's death, a noncharitable irrevocable trust to be modified upon the unanimous agreement of the trustee and all qualified beneficiaries if the modification does not violate a material purpose of the trust. Additionally, a noncharitable irrevocable trust may be modified upon consent of all of the qualified beneficiaries if the court concludes that modification is not inconsistent with a material purpose of the trust; and (3) Adds to the present law that provides that a person who is the holder of a power of withdrawal is not considered a settlor of the trust by failing to exercise that power of withdrawal or letting that power of withdrawal lapse by also providing that a person who is the holder of a power of withdrawal is not considered a settlor of the trust by or releasing or waiving that power of withdrawal.

SB1733/HB2021 Tax exemptions for tree canopy cover.

Sponsors: Sen. Niceley, Frank , Rep. Marsh, Pat
Summary: Creates tax exemption for portions of property that provide tree canopy cover in certain counties, subject to the approval of the local governing body in such counties. Broadly captioned.

Fiscal Note: (Dated January 20, 2024) Other Fiscal Impact The fiscal impact of the proposed legislation is dependent upon whether a county elects to come under its provisions. If a county does elect to do so, there will be a one-time increase in state expenditures of \$10,000 for modifications to the online exemption application; any subsequent recurring increase to state or local revenue cannot be estimated. The proposed legislation would also result in a recurring decrease in local revenue and increase in local expenditures, both of which cannot be quantified but are considered permissive.

SB2208/HB2319 Creates tax exemption for portions of property that provide tree canopy cover.

Sponsors: Sen. Niceley, Frank , Rep. Marsh, Pat

Summary: Creates tax exemption for portions of property that provide tree canopy cover in counties whose local governing bodies elect to create the exemption by two-thirds majority vote.

Fiscal Note: (Dated February 8, 2024) Other Fiscal Impact The fiscal impact of the proposed legislation is dependent upon whether a county elects to come under its provisions. If a county does elect to do so, there will be a one-time increase in state expenditures of \$10,000 for modifications to the online exemption application; any subsequent recurring increase to state or local revenue cannot be estimated. The proposed legislation would also result in a recurring decrease in local revenue and increase in local expenditures, both of which cannot be quantified but are considered permissive.

Senate Status: 02/01/24 - Referred to Senate State & Local Government Committee.

House Status: 02/28/24 - Taken off notice in House Property & Planning Subcommittee.

SB2579/HB2149 Isolated wetlands defined.

Sponsors: Sen. Taylor, Brent , Rep. Vaughan, Kevin
Summary: Clarifies that an ephemeral wet weather conveyance is not a stream under the Water Quality Control Act. Defines "isolated wetlands" and clarifies that isolated wetlands are not waters under the act. Prohibits requiring a permit or other authorization under the act for impacts to isolated wetlands. Makes other related changes including not being subject to a requirement related to riparian buffers, cumulative impact analyses, antidegradation, mitigation, or another regulatory purpose or requirement. Details that a wetland shall not be designated as Exceptional Tennessee Water based solely on the presence of aquatic plants, semi-aquatic plants, or other vegetation.
Fiscal Note: (Dated April 4, 2024) Decrease State Revenue \$161,500/FY24-25 and Subsequent Years/Environmental Protection Fund Other Fiscal Impact - The net impact on the total number of pre- and post-permitting site visits and the workload of the Division of Water Resources cannot reasonably be determined due to a number of uncertainties. The resulting net impact on division expenditures is unknown. This legislation may result in an increase in aquatic resource alteration permit fees through rulemaking in future years. The timing and extent of any such increase and the impact on total fee revenue cannot be reasonably determined.
Senate Status: 02/05/24 - Referred to Senate Energy, Agriculture & Natural Resources Committee.

SB75/HB28 Adoption of comprehensive growth plan prior to annexation.

Sponsors: Sen. Watson, Bo , Rep. Lamberth, William
Summary: Deletes requirement that municipalities adopt a comprehensive growth plan and have an approved urban growth boundary prior to annexing unincorporated territory. Requires all counties and municipalities that have an effective flood insurance rate map or flood hazard boundary map published by FEMA that identifies a special flood hazard area within the political boundaries of the county or municipality to meet the requirements for participation in the national flood insurance program administered by FEMA. Gives a county or municipality that does not currently have an effective flood insurance rate map or flood hazard boundary map published by FEMA that identifies a special flood hazard area within the political boundaries of the county or municipality 24 months from the effective date of any future flood insurance rate map or flood hazard boundary map published by the FEMA to meet the requirements for participation in the national flood insurance program.

Amendment Summary: House Local Government Committee amendment 1 (006368) prohibits a municipal planning commission or regional planning commission (Planning Commission) from adopting a development plan (Plan) that vests a municipality with the authority to exercise planning or zoning authority over property outside of the jurisdictional boundaries of the municipality, until and unless such property is annexed by a municipality. Provides that if a Plan vesting a municipality with such powers over unincorporated territory was adopted prior to this act, then a municipality is required to comply strictly with the parameters of the Plan. Requires a municipality's jurisdiction over such territory to cease to exist once the municipality has fulfilled its obligations under a Plan, until and unless such property is annexed by the municipality. Permits a CLB to adopt the following provisions by resolution: (1) a municipality must send a copy of the annexation resolution by certified mail to the chair of the county legislative body (CLB) and the annexation process is delayed until such notice is received; (2) a municipality shall not act on an annexation proposal until the applicable CLB approves the annexation by resolution; and (3) a municipality shall not approve an annexation proposal if the applicable CLB disapproves the annexation by resolution or if the municipality does not receive the resolution of CLB approval within 60 days of the county receiving notice of the proposed annexation.

Fiscal Note: (Dated March 2, 2023) Other Fiscal Impact The extent of any decrease in local expenditures associated with funding for economic and community development boards cannot reasonably be determined.

SB337/HB97 Establishes a property fraud alert program.

Sponsors: Sen. Oliver, Charlane , Rep. Hardaway, G.A.

Summary: Requires each county office of register of deeds to offer a no-cost property fraud alert program to property owners. Stipulates that the program must allow property owners to register the property owner's name and address and must notify property owners when a document is recorded with this information. Provides that the county office of register of deeds is only required to provide this program if the county's legislative body appropriates funds to pay the full cost of the program. Creates a Class D felony for unlawfully drawing property transfer documents without interest in the property but clarifies that penalties for violations may only be applied to prohibited conduct on or after July 1, 2023.

SB631/HB1054 Classification of real property as a wetland.

Sponsors: Sen. Taylor, Brent , Rep. Vaughan, Kevin
Summary: Prohibits the department of environment and conservation from applying criteria that will result in the classification of real property as a wetland, or otherwise regulating real property as a wetland, unless the property is classified as a wetland under federal law. Broadly captioned.
Amendment Summary: House Agriculture & Natural Resources Subcommittee amendment 1 (013341) removes certain wetland property from applicable standards under the Water Quality Control Act (Act). Separates wetlands into the following categories: high-quality wetlands, moderate-quality wetlands, low-quality wetlands, incidental wetlands, and isolated wetlands. Establishes that no permit, authorization, or another requirement related to riparian buffer, cumulative impact analysis, antidegradation, mitigation, or another regulatory purpose or requirement, within the scope of the Act, is required for alterations to a low-quality wetland or incidental wetland. Establishes that a permit is not required for a low-quality wetland, regardless of the size of the low-quality wetland, and that no mitigation requirements apply to such wetland type. Establishes that an alteration to a moderate-quality wetland that is less than four acres in size is regulated by a general permit for aquatic alterations; however, such permit must not impose any requirements related to riparian buffer, cumulative impact analysis, antidegradation, or mitigation, within the scope of the Act, and may only contain requirements to protect downstream riparian uses. Specifies that an application is complete and permit coverage is issued for an aquatic resource alteration general permit (ARAP) if a denial or request for additional information is not received by the applicant within 21 days of the submission of a hydrologic determination. Establishes that mitigation requirements are not required for a moderate-quality wetland that is less than four acres in size, and furthermore, mitigation requirements for a moderate-quality wetland that is above four acres in size must not exceed a 1:1 ratio. Establishes that an individual ARAP is required for a moderate-quality wetland that is four or more acres in size. Unless required by federal law, prohibits a permit or other authorization or requirement related to riparian buffer, cumulative impact analysis, antidegradation, or mitigation from requiring alterations to an incidental wetland, regardless of the wetland's size. Prohibits low-or-moderate-quality wetlands from being considered when determining the cumulative impact of a project. Senate Energy, Agricultural, & Natural Resources Committee amendment 1 (014537) removes certain wetland property from applicable standards under the Water Quality Control Act (Act). Separates wetlands into the following categories: high-quality wetlands, moderate-quality wetlands, low-quality wetlands, and isolated wetlands. Authorizes a person, desiring to develop property, to request a determination from the Tennessee Department of Environment and Conservation (TDEC) regarding the presence, extent, and category of wetland by submitting a wetland resource inventory report prepared by a third-party wetland professional, including delineation and, if applicable, documentation that the wetland is isolated and the quality of the wetland. If such report contains all required information, is prepared accurately, and is certified by a third-party wetland professional, then such determination made in report must be presumed to be true. Establishes that the alteration to a moderate-quality wetland that is one acre or less in size, or a low-quality isolated wetland, regardless of size and by any activity, cannot be considered as part of a cumulative impact or degradation analysis, any impact to such isolated wetlands do not apply to National Pollutant Discharge elimination system (NPDES) permits, and no notice, approval, or compensatory mitigation is required for such alteration, as long as certain conditions are met. Establishes mitigation requirements for a moderate-quality wetland that is more than one acre in size must not exceed a 1:1 ratio for wetland restoration, a 2:1 ration for wetland creation and enhancement, or a 5:1 ration for wetland preservation. Makes changes to current requirements, including timeliness, to which TDEC must adhere in responding to appeals to determinations of whether water in question is a stream or a wet weather conveyance or, as applicable, the presence, extent, status as isolated, and quality of wetlands.

SB1109/HB637 Religious exemption to immunization requirement.

Sponsors: Sen. Bowling, Janice , Rep. Barrett, Jody

Summary: Requires an employer that requires an immunization as a condition of employment or continued employment to exempt from the immunization requirement a person who files a signed, written statement that the immunization conflicts with the person's religious tenets or practices; prohibits an employer from taking adverse action against a person who files a statement of religious objection. Broadly captioned.

Amendment Summary: Senate Commerce and Labor Committee amendment 1 (005236) establishes that an employer who requires an immunization as a condition of employment or continued employment must grant an exemption from the requirement to an employee who files a written statement of religious objection. Prohibits an employer from taking an adverse action against a person who files a statement of religious objection. Allows healthcare providers to implement and provide reasonable accommodation measures to a person who files a statement of religious objection in order to protect the safety and health of other persons from communicable diseases. Creates a private right of action against an alleged violator for a person injured as a result of a violation of the proposed legislation. Excludes an employer that is a Medicare or Medicaid certified healthcare provider, to the extent such healthcare provider is subject to a valid and enforceable Medicare or Medicaid condition or requirement of participation that imposes a requirement contrary to the proposed legislation. Senate Commerce and Labor Committee amendment 3 (005926) establishes that an employer who requires an immunization as a condition of employment or continued employment must grant an exemption from the requirement to an employee who files a written statement of religious objection. Prohibits an employer from taking an adverse action against a person who files a statement of religious objection. Allows healthcare providers to implement and provide reasonable accommodation measures to a person who files a statement of religious objection in order to protect the safety and health of other persons from communicable diseases. Creates a private right of action against an alleged violator for a person injured as a result of a violation of the proposed legislation. The proposed legislation does not apply to a person in this state who is subject to an employment-related immunization requirement because the person is employed by the federal government or is performing work pursuant to a contract with the federal government.

SB2102/HB1889 **State of Tennessee Real Estate Asset Management (STREAM) Act.**

Sponsors: Sen. Johnson, Jack , Rep. Lamberth, William

Summary: Enacts the "State of Tennessee Real Estate Asset Management (STREAM) Act" which authorizes the commissioner to perform certain activities related to the management of real property owned by this state including general custodial care and decision-making responsibility. Increases the cost threshold for major maintenance contracts for state departments, colleges of applied technology, and public two-year institutions of higher learning above which the state building commission must approve and supervise the contract. Broadly captioned. Part of Administration Package.

Amendment Summary: House Public Service Subcommittee amendment 1 (014281) establishes the State of Tennessee Real Estate Asset Management (STREAM) Act. Authorizes the Commissioner of the Department of General Services (DGS) to do the following: Administer general custodial care and decision-making responsibility for all executive branch leases, acquisitions, and disposals of real property, and exercise responsibility for agency compliance with State Building Commission (SBC) policy requirements on land and lease acquisitions and disposals; Provide state executive branch agencies with additional support services for real property that are not otherwise assigned by law to other departments or divisions; Notwithstanding another law or policy to the contrary, approve financial incentives for the early completion of capital projects under budget and in accordance with agreed upon construction schedules; and Promulgate rules in accordance with the Uniform Administrative Procedures Act, compiled in chapter 5 of this title, and establish policies to effectuate the purposes of this section. Increases the cost thresholds, from \$250,000 to \$1,000,000, for a structure, and \$1,000,000 to \$3,000,000, for a project, with regards to what constitutes a major maintenance contract for state departments and thus must be approved by the SBC.

SB2198/HB2745 **Reporting requirements for department of revenue.**

Sponsors: Sen. Yarbro, Jeff , Rep. Clemmons, John

Summary: Requires the department of revenue to submit, by January 1, 2026, a one-time report to the finance, ways and means committees of the house and the senate concerning the revenue effects of certain amendments made to the provision of the Franchise Tax Law of 1999 that determines the apportionment of a taxpayer's net worth.

Amendment Summary: Senate Finance Revenue Subcommittee amendment 1 (015050) establishes a franchise tax limitation credit in the amount of the difference between the Total National Franchise Tax (TNFT) and the Allowable National Franchise Tax (ANFT) to ensure that a taxpayer does not pay franchise taxes that subject the taxpayer to taxation on more than 100 percent of either the taxpayer's net worth or the taxpayer's real and tangible personal property. Establishes that if a taxpayer receives a final court decree determining the franchise tax established through the Franchise Tax Law of 1999, for a tax year ending prior to January 1, 2024, violates the Commerce Clause of the United States Constitution by subjecting the taxpayer to multiple taxation, the sole remedy for the taxpayer is the issuance of a tax limitation credit for that tax year.

Fiscal Note: (Dated January 30, 2024) NOT SIGNIFICANT

Senate Status: 03/19/24 - Senate Finance Revenue Subcommittee returned to full committee with a negative recommendation after adopting amendment 1 (015050).

Position: Monitor

SB2232/HB2370 **Written consent required prior to installation of a smart meter.**

Sponsors: Sen. Hensley, Joey , Rep. Barrett, Jody

Summary: Requires a utility to obtain written consent from the owner of residential or commercial property for which the utility provides services before the utility installs a smart meter for the property. Requires a utility to obtain written confirmation from the owner of the property that the owner consents to the continued presence and use of the smart meter if a smart meter is already present. Broadly captioned.

Fiscal Note: (Dated March 8, 2024) Other Fiscal Impact The proposed legislation will result in a significant mandatory increase in expenditures for utilities, the extent of which cannot be estimated with reasonable certainty. Utilities may increase rates, if needed, to offset such increase in expenditures to remain self-supporting.

Senate Status: 03/12/24 - Failed in Senate State & Local Government Committee.

House Status: 03/12/24 - House Business & Utilities Subcommittee deferred to 03/19/2024.

SB85/HB154 Employee Ownership, Empowerment, and Expansion Act.

Sponsors: Sen. Walley, Page , Rep. Marsh, Pat
Summary: Enacts the Employee Ownership, Empowerment and Expansion Act for the purposes of providing incentives for small businesses to establish employee stock ownership plans or trusts to convert a worker-owned cooperative without requiring employees to invest their own money. Provides three options to small business owners to sell their businesses, including conversion costs, employee ownership trusts and employee stock ownership plans. Defines provisions under each option. For tax years beginning on or after January 1, 2024, but prior to January 1, 2029, allows a credit up to 50% percent of conversion costs, not to exceed \$25,000 for worker-owned cooperatives and employee ownership trusts, and up to 50 percent of conversion costs, not to exceed \$100,000, for costs included under employee stock ownership plans. Specifies certain taxpayer obligations for the tax credit and allows the commissioner to conduct audits. Requires the department to submit a one-time report to the finance, ways and means committees of the house of representatives and the senate on or before January 1, 2024.
Fiscal Note: (Dated March 4, 2023) Decrease State Revenue \$275,000/FY23-24 \$600,000/Each FY24-25 through FY28-29 \$50,000/FY29-30 and Subsequent Years Decrease Local Revenue \$50,000/FY24-25 and Subsequent Years

SB954/HB674 TACIR study on gated neighborhoods related to crime.

Sponsors: Sen. Johnson, Jack , Rep. Bulso, Gino

Summary: Requires the Tennessee advisory commission on intergovernmental relations (TACIR) to perform a study of the deterrent effect of gates blocking ingress and egress into communities as it relates to the rates of neighborhood crimes. Requires the study to be submitted to the general assembly no later than December 31, 2023.

Amendment Summary: House Property & Planning Subcommittee amendment 1 (005734) rewrites the bill and applies to gated communities in counties with populations in excess of 247,000 people according to the 2020 U.S. census. Requires HOAs in such gated communities to conduct a security assessment every three years and to report its findings. Requires the HOA to notify homeowners in gated communities of crimes committed within the gated community within seven days of an incident. Senate Judiciary Committee amendment 1 (006289) requires certain homeowner's associations (HOAs) to obtain a written assessment of the subdivision's security vulnerabilities and to provide each household in the subdivision with a copy of the assessment, on or before July 1, 2024, and every three years thereafter. Requires such HOAs to notify each household in the subdivision of any crime committed or reported within the subdivision.

SB1201/HB1276 Circumstances under which a contractor can seek early release of a retainage.

Sponsors: Sen. Johnson, Jack , Rep. Boyd, Clark

Summary: Specifies circumstances under which a contractor can seek early release of a retainage held by a party with which the contractor has a written contract. Makes other changes related to retainages for contractors including permits, use of, or ability to use, the remote contractor's work, and certificate of substantial completion. Broadly captioned.

Amendment Summary: Senate Commerce & Labor Committee amendment 1 (006120) revises various provisions related to retainage in contracts. Effective January 1, 2024. Applies to contracts entered into, amended, or renewed on or after that date. Senate Commerce & Labor Committee amendment 2 (016068) introduces stricter regulations regarding the withholding and release of retainage funds in construction contracts. Owners who fail to release retained funds as required will be liable to pay an additional \$500 per day as damages after the ninetieth day of the specified events outlined in the subsection. Prime contractors or remote contractors must pay a similar penalty if they fail to release retained funds within ten days of receipt, accruing from the tenth day after receipt. These provisions are enacted immediately upon becoming law and apply to contracts executed, amended, or renewed thereafter, aiming to ensure prompt and fair payment practices within the construction industry in Tennessee. House Commerce Committee amendment 1 (013935) increases, from \$300 per day to \$500 per day, the amount required to be paid as damages by a party to a contract that is withholding retained funds to the owner of the retained funds, for failing to deposit the funds into an escrow account in accordance with state law. Requires a party that is withholding retained funds in accordance with a contract and fails to pay or otherwise release the retainage as required, to pay each owner of the retained funds an additional \$500 per day as damages for each day that the retained funds are not paid or otherwise released. Requires a prime or remote contractor that fails to pay or otherwise release retained funds within 10 days after receipt to pay each owner of the retained funds an additional \$500 per day as damages for each day that the funds are withheld after the tenth day of the contractor's receipt of the retainage. Specifies when damages begin to accrue for these provisions. Effective upon becoming a law. Applies to contracts entered into, amended, or renewed after the act takes effect.

SB1444/HB655 Contractor licenses minimum project cost.

Sponsors: Sen. Roberts, Kerry , Rep. Fritts, Monty

Summary: Increases the minimum total project cost amount for which a license as a contractor is required from \$25,000 to \$40,928. Ties the minimum total project cost amount to the United States Bureau of Labor Statistics' Producer Price Index by Industry: Building Materials and Supplies Dealers. Requires the board for licensing contractors to update the amount at least annually and publish the amount on its public website.

Amendment Summary: House Commerce Committee (013943) makes changes to the Contractors Licensing Act of 1994. Increases, from \$25,000 to \$50,000, the minimum total project cost amount for which a license as a certain contractor, limited license, or building permit is required. Changes the amount, from \$25,000 to \$50,000, that is a Class A misdemeanor for any firm corporation or person accepting a bid to contract for a project if the contractor is not licensed. Increases the required surety bond or irrevocable letter of credit that an applicant for a home improvement contractor's license must file with the Board of State Licensing Contractors (BLC) from \$10,000 to \$25,000. Senate Commerce & Labor Committee amendment 1 (006027) makes changes to the Contractors Licensing Act of 1994. Increases, from \$25,000 to \$50,000, the minimum total project cost amount for which a license as a certain contractor, limited license, or building permit is required. Changes the amount, from \$25,000 to \$50,000, that is a Class A misdemeanor for any firm corporation or person accepting a bid to contract for a project if the contractor is not licensed. Increases the required surety bond or irrevocable letter of credit that an applicant for a home improvement contractor's license must file with the Board of State Licensing Contractors (BLC) from \$10,000 to \$25,000.

SB2863/HB2889 **Authorizes registered agent of a foreign corporation to resign the agency appointment by filing info with the secretary of state.**

Sponsors: Sen. Roberts, Kerry , Rep. Todd, Chris

Summary: Authorizes the registered agent of a foreign corporation to resign the agency appointment by filing information with the secretary of state in an electronic format deemed suitable by the secretary of state. Broadly captioned.

Amendment Summary: Senate Commerce & Labor Committee amendment 1 (014226) requires a person acting as an agent of a foreign principal from a county of concern (agent) to file a registration statement and supplemental information with the Tennessee Ethics Commission (Commission) within 10 days of becoming an agent. Requires each agent to file a supplemental statement under oath on a form prescribed by the Commission within 30 days after the expiration of each six-month period following a filing. Requires an agent to give notice within 10 days of when information furnished to the Commission changes. Imposes a \$150 registration fee for each agent and each foreign principal from a country of concern. Requires any person who acted as an agent from January 1, 2014 to July 1, 2024 to file a retroactive registration statement and supplemental statements. Establishes various disclosure and reporting requirements for agents. Authorizes a person who willfully violates a provision or rule promulgated pursuant to this act be fined up to \$100,000 and/or imprisoned for up to five years; provided that a violation of filing and labeling of informational materials has a fine up to \$50,000 and/or imprisonment for up to 12 months. Establishes that an alien who is convicted of a violation of, or a conspiracy to violate, this act may be referred to the United State Department of Justices for removal under the Immigration and Nationality Act. Prohibits an agent from being party to a contract or agreement with a foreign principal from a country of concern to which compensation of the agent is contingent upon the success of political activities carried out. Requires the Commission promulgate rules to effectuate this act, and to report to the General Assembly every six months regarding the administration of this act and to make such report publicly available on its website. House State Government Committee amendment 1 (015653) requires a person acting as an agent of a foreign principal from a county of concern (agent) to file a registration statement and supplemental information with the Tennessee Ethics Commission (Commission) within 10 days of becoming an agent. Requires each agent to file a supplemental statement under oath on a form prescribed by the Commission within 30 days after the expiration of each six-month period following a filing. Requires an agent to give notice, within 10 days, of when information furnished to the Commission changes. Imposes a \$150 registration fee for each agent and each foreign principal from a country of concern. Requires any person who acted as an agent from January 1, 2014 to July 1, 2024 to file a retroactive registration statement and supplemental statements. Establishes various disclosure and reporting requirements for agents. Authorizes a person who willfully violates a provision or rule promulgated pursuant to this act be fined up to \$100,000 and/or imprisoned for up to five years; provided that a violation of filing and labeling of informational materials has a fine up to \$50,000 and/or imprisonment for up to 12 months. Establishes that an alien who is convicted of a violation of, or a conspiracy to violate, this act may be referred to the United State Department of Justices for removal under the Immigration and Nationality Act. Prohibits an agent from being party to a contract or agreement with a foreign principal from a country of concern to which compensation of the agent is contingent upon the success of political activities carried out. Requires the Commission promulgate rules to effectuate this act, and to report to the General Assembly every six months regarding the administration of this act and to make such report publicly available on its website.

SB811/HB1258 **Serving copies of claims filed against an estate.**

Sponsors: Sen. Gardenhire, Todd , Rep. Vital, Greg

Summary: Requires a personal representative for an estate to serve a copy of each claim filed against the estate, within five days of receipt, to any known party interested in the estate, including creditors, distributees, and heirs. Broadly captioned.

Amendment Summary: House amendment 1 (017861) rewrites the bill to, instead, make the changes described below to the law relevant to the administration of estates. Present law requires the personal representative, within 60 days after entering on the administration of a testate or intestate estate, to notify the following: (1) Each legatee or devisee under the will that that person or entity is a beneficiary by sending a complete copy of the will to those beneficiaries sharing in the residue of the estate, and by sending a copy of the paragraph or paragraphs of the will containing the bequests to those beneficiaries only receiving bequests; and (2) Each residuary distributee of an intestate deceased person by sending that person a copy of the letters of administration. This amendment adds to the present law by also requiring the personal representative to notify each residuary distributee of a testate decedent whose will has been admitted to probate and each residuary distributee of an intestate decedent of the right to file an exception to a creditor's claim. If a residuary distributee desires to except to a creditor's claim, then the residuary distributee is responsible for determining the identity of each claiming creditor and the nature of each filed claim. The residuary distributee must timely file its exception and prosecute the exception. If a residuary distributee files an exception, then the residuary distributee must file a copy of the exception with the personal representative. Present law provides that within the sixty-day period, the personal representative must also execute and file with the clerk of the court an affidavit that the required copies have been mailed or delivered to the beneficiaries or distributees, and an explanation of efforts to identify and locate beneficiaries or distributees, if any, to whom copies have not yet been sent. This amendment revises that present law by, instead, providing that within the sixty-day period, the personal representative must also execute and file with the court clerk an affidavit that the required copies and notice have been mailed or delivered to the beneficiaries or distributees, and an explanation of efforts to identify and locate beneficiaries or distributees, if any, to whom copies have not yet been sent. Present law authorizes copies of a will, paragraphs of a will, or letters of administration sent to be sent by first class mail, electronic mail, or personal delivery. This amendment adds to the present law by also authorizing notices to be sent by first class mail, electronic mail, or personal delivery. This amendment provides that if a creditor files a claim against the estate, then each claiming creditor has the right to file an exception to the claim of any other claiming creditor. If a claiming creditor files an exception to the claim of another claiming creditor, then each claiming creditor is responsible to know the identity of the other claiming creditor, to timely file an exception, and to prosecute the exception. If the claiming creditor files an exception with the court, then the excepting creditor must send a copy of its exception to the personal representative of the estate. Present law provides that until 30 days after the expiration of four months from the date of the notice to creditors given, the personal representative, or any party interested in the estate either as creditor, distributee, heir or otherwise, may except to the claim by filing written exceptions in triplicate with the clerk of the court in which the estate is being administered. This amendment revises the present law by, instead, providing that until 30 days after the expiration of four months from the date of notice to creditors given, the personal representative, the residuary distributee of a testate decedent whose will has been admitted to probate, the residuary distributee of an intestate decedent, or any other claiming creditor may except to the claim of a claiming creditor by filing written exceptions in triplicate with the clerk of the court in which the estate is being administered. Present law provides that if the filing of the claim occurs after the date that is four months from the date of the notice to creditors, the personal representative, or any party interested in the estate either as creditor, distributee, heir or otherwise, may except to any claim by filing written exceptions in triplicate with the clerk of the court in which the estate is being administered so long the exception is filed no later than 30 days from the date the personal representative receives notice from the clerk of the filing of the claim. This amendment revises the present law by, instead, providing that if the filing of the claim occurs after the date that is four months from the date of the notice to creditors, the personal representative, the residuary distributee of a testate decedent whose will has been admitted to probate, the residuary distributee of an intestate decedent, or any other claiming creditor may except to the claim of a claiming creditor by filing written exceptions in triplicate with the court clerk in which the estate is being administered as long as the exception is filed no later than 30 days from the date the personal representative receives notice from the clerk of the filing of the claim.

SB1946/HB2057 **Revises schedule of property reappraisals by county property assessors.**

Sponsors: Sen. Walley, Page , Rep. Carr, Dale
Summary: Replaces the six-year reappraisal cycle with the requirement for counties to choose between a reappraisal program that requires reappraisal to occur once per year, once every two years, once every three years, or once every four years. Also details requirements for the reappraisal programs including the updates to reappraisal requirements and procedures, maximum costs to assess property within a city, and assessments of cemeteries.
Fiscal Note: (Dated February 6, 2024) Other Fiscal Impact The extent and timing of any increase in local property tax revenue cannot be reasonably estimated but will be significant. In tax year 2023, it is estimated at least \$100 million in property tax collections would have been realized under a more frequent reappraisal system.
Senate Status: 04/17/24 - Senate passed.

SB2907/HB2910 **ECD report on unserved locations receiving broadband service.**

Sponsors: Sen. Bailey, Paul , Rep. Alexander, Rebecca
Summary: Requires the department of economic and community development to include information on which unserved locations have received or are in the process of receiving broadband service since the last update to the broadband accessibility map. Broadly captioned.
Amendment Summary: Senate amendment 1 (015556) rewrites the bill to, instead, require that beginning January 1, 2025, and ending January 1, 2029, all recipients that have received state or federal grants or funding to provide broadband internet access services to unserved locations in this state must submit a report to the department by April 1st and October 1st of each year. The report must contain a list of locations for which the recipient received such state or federal funding to expand broadband access in this state that remain unserved as of the date of such report. The report must also include the date by which the recipient plans to serve such unserved locations and contact information of a representative for the recipient who may be contacted by state or county officials regarding the area for which grants have been administered. House Business & Utilities Subcommittee amendment 1 (015548) requires all recipients of the Broadband Equity, Access, and Deployment Program grants from the Department of Economic and Community Development (ECD) that have received other state or federal funding to provide broadband internet access services in this state to submit a biannual report to ECD, no later than April 1st and October 1st of each year, beginning January 1, 2025 and ending January 1, 2029. Requires the report to contain a list of locations the provider received such additional state or federal funding to expand broadband access that remain unserved as of the date of the report and a date by which the provider plans to serve such locations.

SB1276/HB1305 **Landlord disclosures to residential tenants.**

Sponsors: Sen. Yarbrow, Jeff , Rep. Thompson, Dwayne
Summary: Requires a landlord, or another person authorized to enter into a rental agreement on the landlord's behalf, to disclose to a residential tenant certain contact information for the agent authorized to manage the premises and an owner of the premises, or a person or agent authorized to act for and on behalf of the owner for the acceptance of service of process and for receipt of notices and demands.
Amendment Summary: House Business & Utilities Subcommittee amendment 1 (006178) requires a landlord, or another person authorized to enter into a rental agreement on the landlord's behalf, to disclose certain information to a residential tenant. Authorizes a tenant who requests such information in writing to bring a cause of action if the information is not provided within 10 days of the tenant submitting the request. Requires the court to order the information be provided and award the tenant reasonable costs and attorneys' fees, if the court finds that the landlord or the landlord's agent failed to comply.

SB234/HB528 **Number of times an entity is permitted to contact property owner to make an unsolicited offer.**

Sponsors: Sen. Oliver, Charlane , Rep. Thompson, Dwayne
Summary: Limits the number of times that a real estate developer, business entity, or individual working on behalf of the developer or business entity is permitted to contact a property owner to make an unsolicited offer to buy the property owner's property. Allows a property owner who believes a developer has violated the limitation to submit a complaint to the consumer affairs division in the office of the attorney general. Adds additional requirements and penalties for a violation. Broadly captioned.

Amendment Summary: Senate amendment 1 (005363) limits, to one time in a calendar year, the number of times that a person is permitted to contact a property owner to make an unsolicited offer to buy the property owner's property. Requires a person to provide the property owner with specified contact information prior to making an unsolicited offer. Authorizes a property owner who believes a person has violated the limitation to submit a complaint to the Consumer Affairs Division in the Office of the Attorney General (AG). Requires the AG to begin investigating a complaint within 20 business days from the date the complaint is submitted, provide written notice of the investigation to the property owner and send written notice to the property owner upon completion of the review describing the findings of the review, including whether the individual who contacted the property owner is a licensed real estate agent, and the actions, if any, as a result of the findings. Authorizes a court to assess a fine up to \$1,500 per violation as well as other reasonable costs and expense. Establishes this legislation does not apply to an individual who is licensed as a real estate agent in the state in which the real property about which the individual contacted the property owner is located. House Banking & Consumer Affairs Subcommittee amendment 1 (013332) limits, to one time in a calendar year, the number of times that a person is permitted to contact a property owner to make an unsolicited offer to buy the property owner's property. Requires a person to provide the property owner with specified contact information prior to making an unsolicited offer. Establishes that if contact between a person and a property owner is part of an ongoing negotiation between the person and the property owner, such contact is not an unsolicited request until the property owner states that the property owner does not want to continue the negotiations, or, in the case of negotiations occurring through text message, writes that the property owner does not want to continue negotiations. Requires a person who makes an offer to purchase a property owner's property to offer to provide the appraised value of the property or encourage the property owner to obtain an appraisal prior to deciding whether to accept the person's offer. Authorizes a property owner who believes a person has violated the limitation to submit a complaint to the Consumer Affairs Division in the Office of the Attorney General (AG). Requires the AG to begin investigating a complaint within 20 business days from the date the complaint is submitted, provide written notice of the investigation to the property owner and send written notice to the property owner upon completion of the review describing the findings of the review, including whether the individual who contacted the property owner is a licensed real estate agent, and the actions, if any, as a result of the findings. Authorizes a court to assess a fine up to \$1,500 per violation as well as other reasonable costs and expense. Establishes this legislation does not apply to an individual who is licensed as a real estate agent in the state in which the real property about which the individual contacted the property owner is located.

SB462/HB1187 Sale tax distribution change.

Sponsors: Sen. Briggs, Richard , Rep. Garrett, Johnny

Summary: Reduces from 29.0141 percent to 28.5262 percent, the share of state sales and use tax revenue deposited to the state general fund. Increases, from 4.6030 percent to 5.0909 percent, the share appropriated to municipalities.

Amendment Summary: House Finance Subcommittee amendment 1 (006663) requires that all revenue generated from the increase in the rate of sales and use tax from the tax levied at the rate of 2.75% on the amount in excess of \$1,600 but less than \$3,200 on the sale or use of any single article of personal property must be paid into the state general fund and allocated exclusively for general state purposes. Requires that revenue generated from the increases in the rate of sales and use tax from 6% to 7% must be apportioned, paid, and allocated in specific amounts over every fiscal year for the next six fiscal cycles. Requires all revenue generated from the 0.5% increases in the sales and use tax rate that became effective April 1, 1992, must be deposited in the state general fund and earmarked for education purposes in K-12 schools. Requires that revenue generated from the 0.5% must continue to be deposited in the state general fund and earmarked for education purposes in K-12 schools regardless of whether the tax rate is reduced below 6%.

Fiscal Note: (Dated March 9, 2023) Increase State Revenue \$551,400/FY22-23 and Subsequent Years /Municipal Technical Advisory Service Decrease State Revenue \$55,142,000/FY22-23 and Subsequent Years /General Fund Increase Local Revenue \$54,590,600/FY22-23 and Subsequent Years

SUPPORT

SB1000/HB1046 THDA - votes required to approve the operation of financial assistance programs.

Sponsors: Sen. Yager, Ken , Rep. Vaughan, Kevin
Summary: Decreases, from nine to eight, the number of affirmative votes required by members of the Tennessee Housing Development Agency's board of directors in order for the agency to approve the operation of its financial assistance programs, which support the financing of residential housing construction for lower and moderate income persons and families. Broadly captioned.

Amendment Summary: House amendment 2 (018331) rewrites the bill to enact the "Tennessee Rural and Workforce Housing Act." This amendment authorizes the Tennessee housing development agency ("agency") to allocate to the owner of a qualified project a credit against taxpayer liability for any tax imposed by the law relevant to insurance, excise tax law, or franchise tax law. This amendment authorizes the owner of a qualified project to apportion a Tennessee rural and workforce housing tax credit among some or all of the direct partners or direct members of the business entity or association owning the qualified project, in any manner agreed to by such business entity or association, regardless of whether such business entities or associations are allocated or allowed any portion of the federal housing tax credit with respect to the qualified project. Likewise, if any of the direct partners or direct members of the business entity or association owning the qualified project is a pass-through entity, any such pass-through entity may further apportion a Tennessee rural and workforce housing tax credit to any of its direct partners, direct members, or direct shareholders in any manner agreed to by such parties, regardless of whether such parties are allocated or allowed any portion of the federal housing tax credit with respect to the qualified project. Upon application or request, this amendment requires the agency to issue an eligibility statement to the owner of a qualified project to submit with a tax credit application as provided for in this amendment. The owner of a qualified project must file a tax credit application with the commissioner of revenue or the commissioner of commerce and insurance, as applicable, in order to claim a Tennessee rural and workforce housing tax credit against any taxpayer liability. The application must include the eligibility statement from the agency, a description of the qualified project, the amount of federal housing tax credit the qualified project received, the direct partners and members involved in the qualified project, how the Tennessee rural and workforce housing tax credit will be allocated among those direct partners and members, whether the qualified project is located in an eligible rural area as designated by the agency, and the amount of the Tennessee rural and workforce tax credit being claimed in the application. As used in this amendment, a "qualified project" means a qualified low-income building, as that term is defined in the Internal Revenue Code, located in this state and placed in service after January 1, 2026, that receives a federal housing tax credit allocation from the agency for a project. This amendment prohibits the total amount of the Tennessee rural and workforce housing tax credit that may be claimed for a taxable year from exceeding the taxpayer's liability. A credit that is unused may be carried forward in a tax period until the credit is taken. However, the credit may not be carried forward for more than 25 years. A taxpayer must not apply the credit against a prior tax years' liability, except that a credit may be claimed in a prior year corresponding to the date for which the agency issues an eligibility statement related to the qualified project. In the event that the agency does not issue an eligibility statement with respect to a qualified project before the end of the year in which a qualified project has been placed in service, any credits attributable to tax years prior to the year in which the agency issues the eligibility statement with respect to such qualified project must be allowed on a properly filed tax return for the year that includes the date on which the agency issued the eligibility statement related to the qualified project. If, under a portion of a federal housing tax credit taken on a qualified project is required to be recaptured, then the taxpayer claiming a Tennessee rural and workforce housing tax credit with respect to such qualified project must have a portion of the Tennessee rural and workforce housing tax credit recaptured. The state recapture amount is equal to the proportion of the Tennessee rural and workforce housing tax credit claimed by the taxpayer that equals the proportion the federal recapture amount bears to the original federal housing tax credit amount subject to recapture. If the recapture of a Tennessee rural and workforce housing tax credit is required, then this amendment requires the taxpayer to immediately notify the department of revenue on a form prescribed by the commissioner and submit an amended return to the department of revenue that includes the proportion of the Tennessee rural and workforce housing tax credit required to be recaptured, the identity of each taxpayer subject to the recapture, and the amount of tax credit previously allocated to such taxpayer. The statutory period for the assessment of additional franchise or excise tax resulting from such recapture must not expire prior to the expiration of two years from the date the commissioner or the commissioner's designee is notified in writing by the taxpayer of such recapture. In the case of an agreement in writing entered into by the commissioner, or the commissioner's designee, and the taxpayer within the time prescribed in this amendment for assessment, consenting to an assessment after such time, the tax may be assessed or a levy or other proceeding to enforce collection of such recapture may be made or begun with or without assessment at any time within the agreed upon period. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the previously agreed upon period. The total amount of all new Tennessee rural and workforce housing tax credits that may be allocated by the agency in any fiscal year is subject to authorization and must not exceed the amounts of such authorization, plus the total of all unallocated tax credits, if any, for any preceding years, and the total amount of any previously allocated tax credits that have been recaptured, revoked, canceled, or otherwise recovered but not otherwise reallocated. This amendment requires the agency to allocate Tennessee rural and workforce housing tax credits pursuant to the qualified allocation plan developed by the agency pursuant to the Internal Revenue Code using uniform criteria that in the agency's discretion promote the highest value and greatest public benefit; provided, that no less than 50 percent of the Tennessee rural and workforce housing tax credits must be allocated to qualified projects in an eligible rural area as designated by the United States department of agriculture. The agency must allocate all authorized credits in the year they are authorized. This amendment requires tax credits to be authorized by joint resolution of the general assembly. This amendment requires a credit to be allowed against the tax imposed by the Excise Tax Law of 1999 and the Franchise Tax Law of 1999 in accordance with this amendment. This amendment authorizes the agency and the department of revenue and department of commerce and insurance to promulgate rules to effectuate this amendment For purposes of rulemaking and other administrative actions, this amendment takes effect July 1, 2024, the public welfare requiring it. The Tennessee Housing Development Agency must not allocate, and the Department of Revenue must not credit, any tax credits prior to an authorization to implement the Tennessee Rural and Workforce Housing Tax Credits Act by joint resolution by the General Assembly. For all other purposes, this amendment takes effect July 1, 2025, the public welfare requiring it. Senate amendment 2 (018725) creates the Tennessee Rural and Workforce Housing Act. Authorizes the owner of a qualified project to claim a tax credit (credit) against a taxpayer liability for premium tax, retaliatory tax, franchise tax, and excise tax. Defines a qualified project as a low-income building located in this state and placed in service after January 1, 2026, that receives a federal housing tax credit allocation from the Tennessee housing Development Agency (THDA) for a project. Prohibits the credit amount from exceeding the amount of the taxpayer's liability. Authorizes any unused tax credit to be carried forward for up to 25 years. Prohibits the credit from applying against prior tax years except upon meeting certain terms. Requires THDA to create rules and operate the new credit program, and requires the THDA to allocate the credit to promote the highest value for the greatest public benefit, provided that at least 50 percent of the credits are allocated to qualified projects in an eligible rural area as designated by the United States Department of Agriculture. Requires a joint resolution by the General Assembly prior to any tax credits being allocated and credited against taxpayer liability.

SB2496/HB2623 **Creation of a voluntary attainable housing incentive program by ordinance.**

Sponsors: Sen. Gardenhire, Todd , Rep. Carr, Dale
Summary: Authorizes the chief legislative body of a municipality to create a voluntary attainable housing incentive program by ordinance for the purpose of authorizing certain incentives to be provided to property owners who seek to build attainable housing. Broadly captioned.
Amendment Summary: Senate amendment 1 (014534) authorizes the chief legislative body of a municipality to create a voluntary attainable housing incentive program by ordinance for the purpose of authorizing certain incentives to be provided to property owners who seek to build multi-family attainable housing. Requires property owners to submit a completed application to the regional planning commission of a local government in order to be considered for the voluntary program. Defines "multi-family housing" to mean accommodations that are designed principally for residential use and consist of not less than five rental units on one site, so long as such units are not detached.
Fiscal Note: (Dated February 17, 2024) Other Fiscal Impact A recurring, permissive impact to local government revenue and expenditures cannot be reasonably estimated.

SB2635/HB2787 **Building codes - inclusion of three-family and four-family dwellings.**

Sponsors: Sen. Rose, Paul , Rep. Barrett, Jody
Summary: Authorizes a local government to amend adopted building codes to include three-family dwellings and four-family dwellings within the scope of the residential code by modifying, transitioning, and establishing minimum prescriptive requirements to address the design and construction of those dwellings and make conforming changes to adopted building codes.
Amendment Summary: Senate amendment 1 (015677) requires the statewide building construction safety standards to allow a local government to amend the adopted building code for three-family dwellings and four-family dwellings in accordance with the standards. In amending the rules pursuant to the bill, the state fire marshal must not mandate automatic fire sprinkler systems for three-family dwellings and four-family dwellings where structures are under 5,000 square feet in area and less than three stories in height and where two-hour fire-resistance-rating for wall, floor, and ceiling separation assemblies is met. Local governments may adopt mandatory sprinkler requirements and may be permitted to use the National Fire Protection Association 13D standard for three-family dwellings and four-family dwellings by local ordinance pursuant to the process described in state law.
Fiscal Note: (Dated February 25, 2024) Other Fiscal Impact A permissive increase in local expenditures in FY24-25 and subsequent years cannot be precisely estimated.

SB2100/HB1892 Use of third-party examiners, inspectors, or engineers.

Sponsors: Sen. Johnson, Jack , Rep. Lamberth, William
Summary: Authorizes the use of certain third-party examiners, inspectors, engineers, and professionals in lieu of a local or state examiner, inspector, engineer, or professional for certain permitted processes and requirements. Establishes procedures and requirements for the use of a third-party examiner, inspector, engineer, or professional in building construction. Part of Administration Package (22 pp.).
Amendment Summary: Senate amendment 1 (013987) requires a local jurisdiction, which has adopted its building standards and codes authorized in statute, but outside of the minimum state-wide standards, to perform any examinations of construction plans and specifications and inspections within 30 days of a request. Authorizes the State Fire Marshal to require an inspection during construction or alteration of certain types of buildings or structures. Authorizes a person in a local jurisdiction to engage with third-party inspectors or third-party plans examiners to examine plans and specifications prior to construction or to complete locally required building construction inspections and inspection reports during construction, in lieu of examinations or inspections by the local jurisdiction. Clarifies that engaging with a third party is not applicable to state buildings, educational occupancies, or any other occupancy requiring an inspection by the State Fire Marshal for initial licensure, except agencies licensed by the Department of Human Services. Removes the requirement that a local jurisdiction that accepts an electrical engineer inspection by a registered inspector must maintain a record of an inspection performed by an engineer for no less than three audit years. Authorizes a person to engage a third-party water resource engineer to prepare a permit package to install a subsurface sewage disposal system or to inspect the final inspection of a subsurface sewage disposal system in lieu of the Department of Environment and Conservation (TDEC) or contract county. Authorizes a person to engage a third-party water resource engineer to conduct a final inspection or to review engineering reports, plans, and specifications to construct, install, or modify a non-discharging treatment works or sewerage system, including the collection system, treatment facility, and land application components. Authorizes a person to engage a third-party wetland professional to review an application for the alteration of the physical, chemical, radiological, biological, or bacteriological properties of any waters of the state in lieu of TDEC review. Authorizes the third party to submit a permit application review after the applicant has submitted an aquatic resource inventory and TDEC has concurred with this inventory. Creates requirements and guidelines for engaging with each applicable third party under the applicable departments. Prohibits third parties from conducting an inspection, examination, review or permit package if the third-party inspector or third-party examiner has a conflict of interest. Requires any fees charged by the local government or department for a third-party plans examinations, inspection, reviews or permit packaging to be the same amount charged by the local government, or departments to perform the same service. Senate amendment 2 (014959) requires a person who engages a third-party inspector to complete locally required building inspections are required to continue using a third-party inspector for any subsequent inspections. Requires the person to submit the building plans, inspection reports, third-party inspector's name and registration, and a sworn written statement by the third-party inspector stating any deficiencies in the applicable code. House amendment 1 (017076) makes the following changes: (1) Authorizes a soil scientist certified by the department to submit an application for a permit for a subsurface sewage disposal system with a capacity of less than 750 gallons per day that includes the completed application, application fee, proposed design, an appropriate intensity soils map signed by a soil scientist certified by the department, and a completed but unsigned permit for construction of the subsurface disposal system; and (2) When a local jurisdiction or the state fire marshal's office accepts a final inspection under the provisions in the bill summary regarding third-party inspectors, then requires the local jurisdiction to issue a certificate of occupancy.

SB2410/HB2504 Telecommunications transmitting misleading caller identification established as a misdemeanor.

Sponsors: Sen. Lamar, London , Rep. Harris, Torrey
Summary: Makes it an offense for a person, on behalf of a debt collector or inbound telemarketer service, to knowingly cause any caller identification service to transmit misleading or inaccurate caller identification information, including caller identification information that does not match the area code of the person or the debt collector or inbound telemarketer service the person is calling on behalf of, or is not a toll-free phone number, to a subscriber with the intent to induce the subscriber to answer. Broadly captioned.
Amendment Summary: House amendment 1 (014656) establishes that it is an offense for a person, on behalf of a debt collector or inbound telemarketer service, to knowingly cause any caller identification service to transmit misleading or inaccurate caller identification information, including caller identification information that does not match the area code of the person or the debt collector or inbound telemarketer service the person is calling on behalf of, or that is not a toll-free phone number, to a subscriber with the intent to defraud or cause harm to another person or to wrongfully obtain anything of value, rather than with the intent to induce the subscriber to answer.

SB2238/HB2467 **Classification of the property as zoning-exempt property.**

Sponsors: Sen. Yarbrow, Jeff , Rep. Stevens, Robert

Summary: Authorizes a county to create a program by which an owner of real property in the county may apply for a classification of the property as zoning-exempt property, which values the property based on the zoning classification that existed at the time the owner came into possession of the property and its current use.

Amendment Summary: House Property & Planning Subcommittee amendment 1 (014490) changes the classification from "zoning-exempt property" to "present use-exempt property." Senate State & Local Government Committee amendment 1, House Local Government Committee amendment 1 (017538) introduces a new program allowing property owners in the state's counties to apply for a present use property tax credit. Authorizes property owners to file applications with the county assessor's office, with eligibility determined based on factors such as zoning classification, changes in zoning, property value changes, and improvements made by the owner. Empowers the county legislative body to allocate a portion of increased tax revenues resulting from changes in zoning for these tax credits. Property owners must promptly notify the assessor of any changes in property use or ownership. Requires the assessor to calculate taxes considering both present value and any applicable tax credits, and if a property no longer qualifies, the owner becomes liable for rollback taxes for three years. Takes effect on July 1, 2024. Senate Finance, Ways, and Means Committee amendment 1 (018183) authorizes a metropolitan government to create a program by which an owner of real property may apply for a present use property tax credit. Authorizes a metropolitan legislative body (MLB), upon changing a zoning classification, to appropriate increased revenue resulting from the change to provide property tax credits to offset all or a portion of increased property tax liabilities for residential properties attributable solely to the value increase that results directly from an unrequested change in zoning classification.

Fiscal Note: (Dated March 1, 2024) Increase State Expenditures - \$92,500/FY24-25/Comptroller of the Treasury Other Fiscal Impact The proposed legislation will result in a recurring decrease in local revenue and increase in local expenditures, both of which cannot be quantified with reasonable certainty but are considered permissive.

Senate Status: 04/16/24 - Senate Finance, Ways & Means Committee recommended with amendment 1 (017538) and amendment 2 (018183). Amendment 1 (017538) introduces a new program allowing property owners in the state's counties to apply for a present use property tax credit. Authorizes property owners to file applications with the county assessor's office, with eligibility determined based on factors such as zoning classification, changes in zoning, property value changes, and improvements made by the owner. Empowers the county legislative body to allocate a portion of increased tax revenues resulting from changes in zoning for these tax credits. Property owners must promptly notify the assessor of any changes in property use or ownership. Requires the assessor to calculate taxes considering both present value and any applicable tax credits, and if a property no longer qualifies, the owner becomes liable for rollback taxes for three years. Takes effect on July 1, 2024. Amendment 2 (018183) authorizes a metropolitan government to create a program by which an owner of real property may apply for a present use property tax credit. Authorizes a metropolitan legislative body (MLB), upon changing a zoning classification, to appropriate increased revenue resulting from the change to provide property tax credits to offset all or a portion of increased property tax liabilities for residential properties attributable solely to the value increase that results directly from an unrequested change in zoning classification. Sent to Senate Calendar Committee.

SB1694/HB1814 Disclosure of information to residential tenant by landlord.

Sponsors: Sen. Yarbro, Jeff , Rep. Thompson, Dwayne

Summary: Requires a landlord, or another person authorized to enter into a rental agreement on the landlord's behalf, to disclose to a residential tenant certain contact information for the agent authorized to manage the premises and an owner of the premises, or a person or agent authorized to act for and on behalf of the owner for the acceptance of service of process and for receipt of notices and demands. Broadly captioned.

Amendment Summary: House amendment 1 (017502) rewrites the bill to, instead, require the landlord, or a person authorized to enter into a rental agreement on the landlord's behalf, to disclose to the tenant in writing at or before the commencement of the tenancy the following: (1) The name and address of (i) the agent authorized to manage the premises, which may include a third-party management company; and (ii) an owner of the premises or a person or agent authorized to act for and on behalf of the owner for the acceptance of service of process and for receipt of notices and demands; and (2) A telephone number or electronic mail address for maintenance services; or an online portal system designed for landlord-tenant communication. Senate Commerce & Labor Committee amendment 1 (015380) requires a landlord, or any person authorized to enter into a rental agreement on the landlord's behalf, to disclose certain contact information and means of communication to a residential tenant at or prior to commencement of tenancy.

SB2639/HB2553 Foreign-party controlled businesses prohibited from acquiring real property.

Sponsors: Sen. Niceley, Frank , Rep. Reedy, Jay

Summary: Restricts certain foreign investments in land located within this state through the creation of two separate prohibitions, one that restricts a prohibited foreign-party-controlled business from acquiring real property and another that restricts a prohibited foreign-party from acquiring agricultural land located within this state. (11pp.). Broadly captioned.

Amendment Summary: Senate Commerce & Labor Committee amendment 1 (015023) exempts certain licensed individuals and entities from liability under Tennessee's Real Estate Broker License Act of 1973. Specifically, it provides immunity to licensed real estate brokers, attorneys, title insurance companies and agents, banks and their affiliates, savings and loan associations, credit unions, and licensed mortgage lenders who are involved in transactions where a prohibited foreign party acquires property in violation of the law. Senate Commerce & Labor Committee amendment 2 (014859) includes Al-Shabaab, Boko Haram, Hayat Tahir al Sham, ISIS, the Taliban, and the Wagner group in the definition of entities of particular concern. Prohibits prohibited foreign party-controlled businesses from acquiring non-agricultural land in Tennessee. A violation of this act is punishable by fine or confinement. Declares a policy of the state to conserve, protect, and encourage the development and improvement of agricultural and forest lands. Senate Commerce & Labor Committee amendment 3 (015419) exempts certain persons holding licenses within the State of Tennessee from liability in a transaction in which a prohibited foreign party acquired property in violation of the bill. Senate Commerce & Labor Committee amendment 4 (017433) declares that liability is not imposed on a person involved in a transaction in which a prohibited foreign party acquired property who is licensed under the Tennessee Real Estate Broker License Act of 1973, an attorney licensed in this state or another state and handling a matter governed by this states law, a title insurance company or agent licensed in this state, a state or national bank, bank holding company, a savings and loan association or savings bank, a credit union, an industrial loan or thrift company, or a mortgage lender licensed by the Tennessee department of financial institutions. Excludes prohibited foreign parties or related prohibited foreign party-controlled businesses that have previously received a determination that there are no unresolved national security concerns or pending actions concluded with respect to a covered transaction provided that the prohibited foreign party has not undergone a change in control constituting a covered control transaction and the party files all reports otherwise required. House amendment 3, Senate Finance Committee amendment 1 (018002) rewrites the bill to make the changes described below to the law regarding restrictions on land purchases by sanctioned aliens of entities. This amendment takes effect January 1, 2025. Except as otherwise provided in this amendment, all aliens are capable of taking, by deed or will, lands and tenements in fee simple, or other less estate, and of holding, aliening, and devising them. Present law prohibits the following individuals or entities from purchasing or otherwise acquiring real property in this state if the country where the individual or entity resides or is located, or the official sanctioned government representing that country, or agents, trustees, or fiduciaries thereof, is on the office of foreign assets control of the U.S. department of the treasury's sanctions programs and country information list: (1) An individual who (i) is either a citizen of a foreign government or a person identified on the office of foreign assets control of the U.S. department of the treasury's sanctions programs and country information list; and (ii) is not a citizen of the United States or a person lawfully admitted into the United States for permanent residence, even if such status is conditional ("sanctioned nonresident alien"); (2) A business entity that is (i) a corporation incorporated under the laws of a foreign country of a sanctioned foreign government; (ii) a business entity whether or not incorporated, in which a majority interest is owned directly or indirectly by sanctioned nonresident aliens (where the determination of "owned," in terms of ownership or control of a foreign business, is not affected by legal entities, including trusts, holding companies, multiple corporations, and other business arrangements); or (iii) a corporation or business entity that is identified on the office of foreign assets control of the U.S. department of the treasury's sanctions programs and country information list ("sanctioned foreign business"); and (3) A government other than the government of the United States, its states, its territories, or its possessions, that is identified by the office of foreign assets control of the U.S. department of the treasury's sanctions programs and country information list ("sanctioned foreign government"). However, the above provisions do not apply to the following: (1) Real property acquired by devise or descent; (2) A bona fide encumbrance on real property taken for purposes of security; and (3) Real property acquired by a process of law in the collection of debts; by a deed in lieu of foreclosure, pursuant to a forfeiture of a contract for deed; or by a procedure for the enforcement of a lien or claim on the real property, whether created by mortgage or otherwise. However, real property so acquired must be sold or otherwise disposed of within two years after the title is transferred. Pending the sale or disposition, the real property must not be used for a purpose other than what it was used for immediately prior to the time the property was put up for sale, and the property must not be used except under lease to an individual, trust, corporation, partnership, or other business entity not subject to the restriction imposed by this provision. The individual or entity prohibited from purchasing real property who holds real property in this state on July 1, 2023, may continue to own or hold the real property, but must not purchase or otherwise acquire additional real property in this state on or after July 1, 2023. The individual or entity must not transfer title to, or an interest in, real property to another restricted party as described above. This amendment deletes these provisions entirely and replaces them with the provisions below. This amendment prohibits a prohibited foreign party or prohibited foreign-party-controlled business from acquiring by grant, purchase, devise, descent, or otherwise an interest in agricultural land in this state regardless of whether the prohibited foreign party or prohibited foreign-party-controlled business intends to use the agricultural land for nonfarming purposes. A party must not hold agricultural land as an agent, trustee, or other fiduciary for a prohibited foreign party or prohibited foreign-party-controlled business in violation of this amendment. A prohibited foreign party or prohibited foreign-party-controlled business that acquires agricultural land in violation of this amendment remains in violation as long as the prohibited foreign party or prohibited foreign-party-controlled business holds an interest in the agricultural land. As used in the amendment, a "prohibited foreign party" means the following: (1) A citizen or resident of a country subject to international traffic in arms regulations under federal law; (2) A foreign government formed within a country subject to international traffic in arms regulations under federal law; (3) A party other than an individual or a government that is created or organized under the laws of a foreign government within a country subject to international traffic in arms regulations under federal law; or (4) A party other than an individual or a government: (i) that is created or organized under the laws of a state, federal district, or territory of the United States; and (ii) in which a significant interest or substantial control is directly or indirectly held or is capable of being exercised by: an individual referred to in (1) above; a foreign government referred to in (2) above; a party referred to in (3) above; or a combination of the individuals, parties, or governments referred to in (4)(i); (5) An entity of particular concern; or (6) An agent, trustee, or other fiduciary of a person or entity enumerated in (1)-(5) above; and However, a "prohibited foreign party" does not mean a nonresident alien. As used in this amendment, a "significant interest" or "substantial control" means: (A) An interest of 33 percent or more held by: (i) an individual referred to in (1) above; (ii) a single government referred to in (2) above; (iii) a party referred to in (3) above; (iv) a party referred to in (4) above; or (v) an entity of particular concern; (B) An interest of 33 percent or more, in the aggregate, held whenever the individuals, parties, or governments referred to in (1)-(6) above are acting in concert with respect to the interest even though no single individual, party, or government holds an interest of 33 percent or more; or (C) An interest of 50 percent or more, in the aggregate, held by individuals, parties, or governments referred to in (1)-(6) above even though the individuals, parties, or governments may not be acting in concert. As used in this amendment, "entity of particular concern": (i) means an entity designated by the United States department of state as an entity of particular concern; and (ii) includes Al-Shabaab, Boko Haram, Hayat Tahir al-Sham, the Houthi, ISIS, ISIS-Sahel (formerly known as ISIS-Greater Sahara), ISIS-West Africa, Jamaat Nasr al-Islam wal Muslimin, the Taliban, and the Wagner Group based on its actions in the Central African Republic. As used in this amendment, "prohibited foreign-party-controlled business" means a corporation, company, association, firm, partnership, society, joint-stock company, trust, estate, or other legal entity whose controlling interest is owned by a prohibited foreign party. "Controlling interest" means an ownership interest of 50 percent or more, in the aggregate. Under present law, a sanctioned nonresident alien, sanctioned foreign business, or sanctioned foreign government, or an agent, trustee, or fiduciary thereof, who acquires real property or an interest in real property, by devise or descent after July 1, 2023, must divest itself of all right, title, and interest in the real property within two years from the date of acquiring the real property or interest. This provision does not require divestment of real property or an interest in real property acquired by devise or descent from a sanctioned nonresident alien if the property or interest was acquired by a sanctioned nonresident alien prior to July 1, 2023. If a person, business, or other entity who purchases or otherwise acquires real property in this state except by devise or descent, after July 1, 2023, and whose status changes so that they become a sanctioned nonresident alien, sanctioned foreign business, or sanctioned foreign government, or an agent, trustee, or fiduciary thereof, then present law requires the person or entity to divest itself of all right, title, and interest in the real property within two

years from the date that its status changed. This amendment deletes the above present law relevant to divestment and, instead, requires a prohibited foreign party or prohibited foreign-party-controlled business in violation of this amendment to divest itself of the interest in agricultural land within two years of the date the entity is found to be in violation. If a prohibited foreign party or prohibited foreign-party-controlled business does not divest itself of the interest in agricultural land, then the attorney general and reporter may commence an action pursuant to this amendment. A prohibited foreign party or prohibited foreign-party-controlled business owning an interest in agricultural land in this state on or after January 1, 2025, commits a Class A misdemeanor, punishable by a fine of \$1,500 or confinement for not more than 11 months and 29 days, or both. Under present law, a sanctioned nonresident alien, sanctioned foreign business, or sanctioned foreign government, or an agent, trustee, or fiduciary thereof, who owns an interest in real property in this state on or after July 1, 2023, must register the real property with the secretary of state. The registration must be made within 60 days after July 1, 2023, or within 60 days after acquiring the real property or the interest in real property, whichever time is later. The registration must be in the form and manner prescribed by the secretary of state and contain the name of the owner and the location and number of acres of the real property by municipality and county. If the owner of the real property or owner of the interest in real property is an agent, trustee, or fiduciary of a sanctioned nonresident alien, sanctioned foreign business, or sanctioned foreign government, then the registration must also include the name of any principal for whom that real property, or interest in real property, was purchased as agent, trustee, or fiduciary. This amendment deletes these provisions and replaces them with the provision below. This amendment requires prohibited foreign party or prohibited foreign-party-controlled business that holds an interest in agricultural land in this state on or after January 1, 2025, to register the interest in such land with the commissioner of agriculture. Registration must be made as follows: (i) in such form and manner as prescribed by the commissioner of agriculture; and (ii) within the later of 60 days after January 1, 2025 or the date the prohibited foreign party or prohibited foreign-party-controlled business acquires the interest in agricultural land. This amendment requires the commissioner of agriculture to require that registration pursuant to this amendment includes the following: (1) The legal name, street address, mailing address, if different, and the birthplace and nationality of the prohibited foreign party that owns the interest in agricultural land or that owns a controlling interest in the prohibited foreign-party-controlled business that owns the interest in agricultural land; (2) The legal name, street address, mailing address, if different, and the birthplace and nationality of the agent, trustee, or fiduciary of the prohibited foreign party or prohibited foreign-party-controlled business described in (1) above, if specifically authorized to: (i) purchase the agricultural land; or (ii) supervise the daily operations on the agricultural land; (3) A statement of the purpose for conducting business in this state; (4) A description of the purpose of the interest in agricultural land in this state as it relates to the stated business purpose of (3) above; (5) The legal name, street address, and mailing address of any parent of the registering party, including the legal name, street address, and mailing address of any subsidiary or intermediary of the parent; (6) The legal name, street address, and mailing address of any subsidiary of the registering party; and (7) A listing of all other interests in agricultural land that are held directly or indirectly by the registering party, parent of the registering party, or subsidiary or intermediary of the parent in the United States that exceeds, in the aggregate, 250 acres. If the commissioner of agriculture finds that a prohibited foreign party or prohibited foreign-party-controlled business has acquired or holds title to or an interest in agricultural land in this state in violation of this amendment, then this amendment requires the commissioner of agriculture to report the violation to the attorney general. If the commissioner of agriculture finds that a prohibited foreign party or prohibited foreign-party-controlled business violated this amendment by failing to timely register as required under this amendment, then the commissioner of agriculture must assess a civil penalty not to exceed \$2,000 for each violation. This amendment prohibits a prohibited foreign-party-controlled business from acquiring by grant, purchase, devise, descent, or otherwise an interest in non-agricultural land in this state. A party must not hold an interest in non-agricultural land as an agent, trustee, or other fiduciary for a prohibited foreign-party-controlled business. A prohibited foreign-party-controlled business that acquires non-agricultural land in violation of this amendment remains in violation as long as the prohibited foreign-party-controlled business holds an interest in the non-agricultural land. This amendment requires a prohibited foreign-party-controlled business in violation of this amendment to divest itself of the interest in non-agricultural land within two years of the date the entity is found to be in violation. If a prohibited foreign-party-controlled business does not divest itself of the interest in non-agricultural, then the attorney general and reporter may commence an action pursuant to this amendment. This amendment provides that a violation of the provisions relevant to foreign party prohibition and divestment is a Class A misdemeanor, punishable by a fine of \$1,500 or confinement for not more than 11 months and 29 days, or both. This amendment requires a prohibited foreign-party-controlled business that holds an interest in non-agricultural land in this state on or after January 1, 2025, to register the interest in such land with the secretary of state. Registration must be made: (i) in such form and manner as prescribed by the secretary of state; and (ii) within the later of 60 days after January 1, 2025 or the date the prohibited foreign-party-controlled business acquires the interest in non-agricultural land. The secretary of state must require that registration includes the following: (1) The legal name, street address, mailing address, if different, and the birthplace and nationality of the prohibited foreign party that owns a controlling interest in the prohibited foreign-party-controlled business that owns the interest in non-agricultural land; (2) The legal name, street address, mailing address, if different, and the birthplace and nationality of the agent, trustee, or fiduciary of the prohibited foreign-party-controlled business described in (1) above, if specifically authorized to: (i) purchase the non-agricultural land; or (ii) supervise the daily operations on the non-agricultural land; (3) A statement of the purpose for conducting business in this state; (4) A description of the purpose of the interest in non-agricultural land in this state as it relates to the stated business purpose of (3) above; (5) The legal name, street address, and mailing address of any parent of the registering party, including the legal name, street address, and mailing address of any subsidiary or intermediary of the parent; (6) The legal name, street address, and mailing address of any subsidiary of the registering party; and (7) A listing of all other interests in non-agricultural land that are held directly or indirectly by the registering party, parent of the registering party, or subsidiary or intermediary of the parent in the United States that exceeds, in the aggregate, 250 acres. If the secretary of state finds that a prohibited foreign-party-controlled business has acquired or holds title to or an interest in non-agricultural land in this state in violation of this amendment, then this amendment requires the secretary of state to report the violation to the attorney general. If the secretary of state finds that a prohibited foreign-party-controlled business violated this amendment by failing to timely register as required, then the secretary of state must assess a civil penalty not to exceed \$2,000 for each violation. Under present law, if the secretary of state finds that a sanctioned nonresident alien, sanctioned foreign business, sanctioned foreign government, or an agent, trustee, or other fiduciary thereof, has acquired or holds title to or interest in real property in this state in violation, then the secretary of state must report the violation to the attorney general and reporter. Upon receipt of a report, the attorney general must initiate an action in the circuit court of any county in which the real property is located. The attorney general must file a notice of the pendency of an action with the recorder of deeds of each county in which any of the real property is located. If the court finds that the real property in question has been acquired in violation, then present law requires the court to enter an order so declaring and to file a copy of the order with the recorder of deeds of each county in which any portion of the real property is located. If the court finds that the real property in question has been acquired in violation, then the court must declare the real property escheated to the state and order the sale of the real property in the manner provided by law for the foreclosure of a mortgage on real estate for default of payment. The proceeds of the sale must be used to pay court costs, and the remaining funds, if any, must be paid to the person divested of the real property. If the secretary of state finds that a sanctioned nonresident alien, sanctioned foreign business, sanctioned foreign government, or an agent, trustee, or other fiduciary thereof, failed to timely register, then the secretary of state must assess a civil penalty not to exceed \$2,000 for each violation. Present law provides that the above provisions relevant to imitation of action do not impose liability on a person licensed under the Tennessee Real Estate Broker License Act of 1973; an attorney licensed in this state; or a title insurance company or an agent licensed in this state who is involved in a transaction in which a sanctioned nonresident alien, sanctioned foreign business, sanctioned foreign government, or an agent, trustee, or other fiduciary of such alien, business, or government, acquired property in violation. This amendment deletes the above provisions relevant to initiation of an action and replaces them with the provisions below. Upon receipt of a report from the commissioner of agriculture or the secretary of state under this amendment, this amendment authorizes the attorney general to initiate an action in the circuit court of any county in which the agricultural land or non-agricultural land is located. The attorney general and reporter may also initiate an action to enforce this amendment based upon the receipt of information by means other than a report from the commissioner of agriculture or secretary of state that the attorney general determines indicates that a violation of this amendment has occurred. The attorney general must file a notice of the pendency of an action initiated under this amendment with the register of deeds of each county in which any of the agricultural land or non-agricultural land is located. If the court finds that the agricultural land or non-agricultural land in question has been acquired or held in violation of this amendment, then this amendment requires the court to enter an order so declaring and to file a copy of the order with the register of deeds of each county in which any portion of the agricultural land or non-agricultural land is located. If the court finds that an interest in the agricultural land or non-agricultural land in question has been acquired or held in violation of this amendment, then the court must declare the agricultural land or non-agricultural land escheated to the state and order the sale of the agricultural land or non-agricultural land in the manner provided by law for the foreclosure of a mortgage on real estate for default of payment. The proceeds of the sale must be used to pay court costs, and the remaining funds, if any, must be disbursed to lien holders, in the order of priority, except for liens which under the terms of the sale are to remain on the land. This amendment does not impose liability on a person licensed under the Tennessee Real Estate Broker License Act of 1973; an attorney licensed in this state or licensed in another state and handling a matter governed by the law of this state; a title insurance company or an agent licensed in this state; a state or national bank, bank holding company, or its affiliates or subsidiaries; a savings and loan association or savings bank; a credit union; an industrial loan or thrift company; or a mortgage lender licensed by the department of financial institutions who is involved in a transaction in which a prohibited foreign party or prohibited foreign-party-controlled business acquired or held an interest in property in violation of this amendment. This amendment does not apply to a prohibited foreign party or prohibited foreign-party-controlled business that possesses an interest in agricultural land or non-agricultural land if such prohibited foreign party or prohibited foreign-party-controlled business is duly registered and in good standing with the secretary of state as of January 1, 2025, and has satisfied the following criteria: (1) Been approved by the committee on foreign investment in the United States (CFIUS); or (2) Previously received a determination that there are no unresolved national security concerns or that pending actions under the Defense Production Act of 1950 are concluded with respect to a covered transaction so long as such prohibited foreign party or prohibited foreign-party-controlled business has not undergone a change in control constituting a covered control transaction since such determination. This amendment authorizes the secretary of state and commissioner of agriculture to promulgate rules to effectuate this amendment.

Fiscal Note: (Dated February 27, 2024) Increase State Revenue \$82,000/FY24-25/General Fund \$2,000/FY25-26 and Subsequent Years/General Fund Decrease State Expenditures \$82,000/FY24-25/Secretary of State \$2,000/FY25-26 and Subsequent Years/Secretary of State HB 2553 - SB 2639 Other Fiscal Impact This legislation could effectively deter the investments of PFPs and PFPCBs in real estate within this state. Any subsequent fiscal impacts upon state or local tax revenue that would have occurred in the absence of this legislation are dependent upon multiple unknown factors and cannot be determined with reasonable certainty.

SB2968/HB2984 **Davidson County - East Bank Development Authority.**

Sponsors: Sen. Oliver, Charlane , Rep. Freeman, Bob
Summary: Creates the East Bank Development Authority for the metropolitan government of Nashville and Davidson County. (12pp.).
Amendment Summary: Senate amendment 1 (018285) proposes the creation of the East Bank Development Authority within Nashville and Davidson County. Defines the Authority's jurisdiction as the East Bank area, bounded by the Cumberland River, Interstate 24, and Interstate 65. Grants the Authority broad powers, including the acquisition, development, and management of property, enforcement of compliance, and borrowing authority. Establishes a nine-member Board of Directors, with appointments made by the Mayor and Metropolitan Council, along with ex officio members from relevant departments. Mandates the appointment of a chief executive officer and outlines provisions for Metropolitan Government assistance. The amendment prohibits the Authority from exercising eminent domain. Includes oversight measures such as annual audits and reporting requirements to the Metropolitan Council. Aims to facilitate development within the East Bank while ensuring transparency and accountability in governance. Senate amendment 2 (018730) adds the speaker of the senate and the speaker of the house of representatives as ex officio voting members. House Local Government Committee amendment 1 (018384) prohibits the Metropolitan government from delegating any law enforcement powers to the Authority. Prohibits the Authority from condemning or exercising the power of eminent domain over any real property located within the East Bank or otherwise. House Local Government Committee amendment 2 (018398) increases the Board membership to consist of nine voting members instead of seven with the speaker of the senate and the speaker of the house each acting as ex officio voting members. Removes the comptroller of the treasury, the state treasurer, and the secretary of state, or their designees, from serving as non-voting ex officio member of the Board.
Senate Status: 04/22/24 - Senate passed with amendment 1 (018285) and amendment 2 (018730).
House Status: 04/25/24 - House passed.
Executive Status: 04/25/24 - Sent to the speakers for signatures.

SB2827/HB2859 **Operation of golf carts on gravel roads within the campgrounds of state parks.**

Sponsors: Sen. Crowe, Rusty , Rep. Ragan, John
Summary: Authorizes the operation of a golf cart on gravel roads within the campgrounds of state parks in addition to paved roads if such gravel roads are marked suitable for a golf cart. Broadly captioned.

Amendment Summary: Senate amendment 2 (003516) rewrites the bill to, instead, provide that an owner of land who enters into a cooperative agreement with a public utility owned by the federal government for the use of the public utility's land in conjunction with the owner's land of at least 100 acres that is made available to the public as a park for outdoor recreational purposes without charge, except for a nominal parking fee or special event fee, owes no duty of care to persons entering or going upon such land and is not liable for any loss, damages, or injury to such persons. However, this amendment does not limit liability for any conduct that constitutes gross negligence or willful and wanton misconduct. As used in this amendment, "outdoor recreational purposes" means any activity within an outdoor environment, including, but not limited to, fishing, wildlife viewing, swimming, boating, camping, picnicking, hiking, biking trails and bike skills areas, greenway trails, nature study, non-motorized boat access, and playgrounds.

SB2834/HB2925 Deletes obsolete provision requiring TPUC report on state-issued certificates of franchise authority.

Sponsors: Sen. Stevens, John , Rep. Sexton, Cameron

Summary: Deletes an obsolete provision requiring the public utility commission to report by 2011 to the speaker of the senate, the speaker of the house of representatives, the governor, the chair of the commerce and labor committee of the senate, and the chair of the commerce committee of the house of representatives regarding state-issued certificates of franchise authority under the Competitive Cable and Video Services Act. Broadly captioned.

Amendment Summary: Senate amendment 1 (017323) rewrites the bill to, instead, do the following: (1) Require that the state fire marshal, in promulgating rules establishing minimum statewide building construction safety standards, not prohibit less than six stories of Group R-2 occupancy, as defined in the building code adopted by the department of commerce and insurance, division of fire prevention, to be served by a single exit if: (A) The building has not more than six stories above grade plane; (B) The building does not contain more than four dwelling units on any floor; (C) An exterior stairway or interior exit stairway is provided; (D) A corridor separates each dwelling unit entry or exit door from the door to an interior exit stairway, including any related exit passageway on each floor, and the dwelling unit doors do not open directly into an interior exit stairway, but may open directly into an exterior stairway; (E) There is no more than 20 feet of travel to the exit stairway from the entry/exit door of any dwelling unit; (F) Travel distance measured in accordance with the building code adopted by the department of commerce and insurance, division of fire prevention, does not exceed 125 feet; (G) Other occupancies in the same building do not have access to the Group R-2 occupancy portion of the building or with the single-exit stairway. For purposes of this (1), parking garages and occupied roofs accessory to the Group R-2 occupancy may have access to the exit stairway; (H) The exit serving the Group R-2 occupancy does not discharge through any other occupancy, including an accessory parking garage; and (I) There are no openings within 10 feet of unprotected openings into the stairway other than required exit doors having a one-hour, fire-resistive rating; and (2) Authorize a local government to adopt the exception set out in (1) above by resolution or ordinance, and the exception becomes operative on the date of adoption of the resolution or ordinance; (3) When the owner of real property applies for utility service from a utility system for residential or commercial development on the owner's property and the utility has an existing utility line or system immediately adjacent to the real property, prohibit the utility system from requiring the owner to construct or pay for the construction of any offsite utility improvements as a condition for service or permit issuance; (4) If a utility system determines that offsite utility improvements must be constructed to provide the utility service requested and to maintain the utility's current level of service and capacity to serve its existing customers, require the utility system to require the owner to construct or pay for the construction of such offsite utility improvements; (5) Authorize the utility system to require the owner to upgrade the offsite utility improvements required pursuant to (4) above to increase the utility system's capacity to serve future customers, but only pursuant to a cost-sharing arrangement between the owner and the utility system; (6) Establish that a utility system has 60 days from the date on which a building permit is requested from the local government or state fire marshal to make the determinations in (4) and (5) above; (7) If the owner and the utility system are unable to agree upon the amount of the cost-sharing arrangement described in (5) above, authorize the owner to request the Tennessee board of utility regulation to determine the cost-sharing amount; (8) Define, for purposes of the bill, an "offsite utility improvement" as any utility improvement or utility extension beyond the boundary of the real property being developed by the owner; and (9) Authorize the Tennessee board of utility regulation to review and conduct informal hearings of cost-sharing amounts pursuant to the (3)-(9), above.

SB2057/HB2185 Political advertisements that are created by artificial intelligence to include certain disclaimers.

Sponsors: Sen. Yarbrow, Jeff , Rep. Hemmer, Caleb
Summary: Requires campaign advertisements to disclose if they were partially or wholly generated by artificial intelligence. Specifies that advertisements in print must feature a disclaimer in text similar to the rest of the communication. For audio communications, the disclaimer must last a minimum of three seconds. For video communications, the disclaimer must meet the requirements for audio and appear for four seconds in text similar to the majority of the advertisement's text. Additionally, requires non-political advertisements, including communications about an election, candidate, or ballot question, to disclose if they were generated in part or wholly by artificial intelligence. Prohibits a person, political campaign committee, or other entities from distributing deceptive material without a disclaimer, and violation of this is a Class C misdemeanor. Establishes the right to injunctive relief for violation.
Amendment Summary: Elections & Campaign Finance Subcommittee amendment 1 (013804) requires that any form of political advertisement must disclose if it was made with artificial intelligence. A person or organization may not distribute deceptive media. Defines advertisement as a representation disseminated by any means that relates to political campaigns. Defines artificial intelligence as a machine-based system that can make decisions, recommendations, or predictions. Defines materially deceptive media as depicting speech that did not happen, something that would convince a reasonable viewer, or media that was procured substantially relying on technology rather than a voice actor. Defines political advertisement as an advertisement involving a candidate, race, or ballot question that is on behalf of a candidate.

SB2370/HB2309 Blockchain Basics Act.

Sponsors: Sen. Watson, Bo , Rep. Vaughan, Kevin
Summary: Specifies that an individual may engage in home digital asset mining as long as the individual complies with all local noise ordinances and operates a node for the purpose of connecting to a blockchain protocol or a protocol built on top of a blockchain protocol and transferring digital assets on a blockchain protocol, or participating in staking on a blockchain protocol. Clarifies that an individual engaged in home digital asset mining, a digital asset mining business, or operating a node or a series of nodes on a blockchain protocol is not required to obtain a license under the Money Transmission Modernization Act. Specifies that a digital asset mining business may engage in digital asset mining in any area that is zoned for industrial use.
Amendment Summary: House Business & Utilities Subcommittee amendment 1 (014403) authorizes an individual to engage in home digital asset mining as they comply with local noise ordinances and operate a node for the purpose of connecting to, transferring digital assets, or participating in staking on a blockchain protocol. Specifies individuals engaging in such activities are not required to obtain a license under the Money Transmission Modernization Act (MTMA). Prohibits a business offering to provide data asset mining services or staking as a service for individuals or businesses to be deemed to be offering a security under the Tennessee Securities Act of 1980. Authorizes a digital asset mining business to engage in digital asset mining in any area that is zoned for industrial use. Prohibits a political subdivision from: (1) setting a limit on sound decibels generated from home or business digital asset mining other than limits set for sound pollution in the political subdivision or industrial-zoned areas; (2) imposing requirements on a digital asset mining business that are not a requirement for data centers within the jurisdiction of the political subdivision; or (3) making zoning changes without the required procedures. Prohibits the state or a political subdivision from: prohibiting, restricting, or impairing the use of a controllable electronic record to purchase legal goods or services or a self-hosted, third-party, or hardware storage wallet for self-custody of controllable electronic records; or imposing additional taxes, withholdings, assessments, or charges on a controllable electronic record used as a method of payment based solely on the use of the record as the method of payment unless the imposition or collection of a tax, withholding, assessment, or charge would otherwise be collected if the transaction had taken place using legal tender. Authorizes a financial institution or trust company to provide customers with digital asset custody services through third-party service providers if the financial institution or trust company has adequate protocols in place to manage risks and comply with applicable laws. Requires the financial institution or trust company to examine the risks involved in offering such services through a methodical self-assessment process prior to the offering of such services. Requires the financial institution or trust company offering these services to implement risk management systems and controls to measure, monitor, and control relevant risks associated with custody of digital assets, confirm that it has adequate insurance coverage for such services, and maintain a service provider oversight program to address risks to service provider relationships as a result of engaging in digital asset custody services. Permits the financial institution or trust company, through the entity's charter authority, to provide digital asset custody services in a nonfiduciary or fiduciary capacity.
