

NAR PRESIDENT'S CIRCLE

What really sets REALTORS® apart from any other group on Capitol Hill is the President's Circle program. This is a group of RPAC Major Investors who contribute directly to party committees and REALTOR® Champions, members of Congress who have made significant achievements in advancing the REALTOR® voice on Capitol Hill. This program allows REALTORS® to give beyond RPAC dollars and increases the strength of the REALTOR® voice.

THE RPAC DIFFERENCE

WHAT IS RPAC?

The REALTOR® Political Action Committee (RPAC) is a powerful alliance of REALTOR® and REALTOR® Associations working to advance public policies and candidates that build strong communities, protect property interests, and promote a vibrant business environment. For more than 50 years, RPAC has been one of the strongest and most successful advocacy organizations- thanks to REALTORS® like you. Tennessee is a pacesetter in RPAC, because we recognize that our voluntary investments earn us a seat at the table with legislators both in our state and in Washington, D.C. Together, we are protecting the future of real estate.

HOW RPAC WORKS FOR YOU IN TENNESSEE

- Tennessee REALTORS® supports HJR81, a proposed constitutional amendment which would prohibit state property tax. This bill passed the House in 2023 and passed the Senate in 2024.
- Tennessee REALTORS® worked to ensure that immunity protections for REALTORS® were included in SB122/HB40 and SB2639/HB2553. These bills prohibit certain sanctioned individuals, businesses, and governments from acquiring real property in Tennessee.
- Tennessee REALTORS® successfully fought against SB1256/HB34 which would have required residential landlords in Shelby County to register with the County and pay a registration fee.

HOW RPAC WORKS FOR YOU NATIONALLY

- NAR successfully advocated for the introduction of HR1321, a bill that would incentivize more owners to sell their homes by doubling the maximum amount of capital gains a homeowner can exclude on the sale of a principal residence.
- NAR has protected the National Flood Insurance Program by ensuring the program is continuously funded, even when a government shutdown is looming.
- NAR advocated for the Veterans Administration to allow VA home buyers to compensate their real estate agent directly, ensuring that veterans do not lose access to representation in the homebuying process.
