Establishes that reverter and forfeiture provisions in a conveyance of real property creating a common law estate of fee simple determinable, fee simple subject to condition subsequent, or fee simple subject to executory limitation, automatically terminate 75 years from the date of conveyance. Converts vested rights in deeds as of July 1, 2025, to fee simple absolute after 75 years from the date of creation unless a sworn statement is filed with the county register of deeds by July 1, 2026, to maintain the right. Invalidates a reverter or forfeiture provision contained in documents conveying an interest in real property and purporting to establish the common law estates of fee simple determinable, fee simple subject to condition subsequent, and fee simple subject to executory limitation, executed on or after July 1, 2025. Establishing reversionary estates terminated or prohibited results in title in the grantee or recipient being fee simple absolute.
